CORAL GROUP TRADING LIMITED

STRATEGIC REPORT – FOR THE YEAR ENDED 31 DECEMBER 2021

The directors present their strategic report for the year ended 31 December 2021.

PRINCIPAL ACTIVITIES AND REVIEW OF BUSINESS

The Company is a holding company within the Entain plc group and provides management services facilities to other group companies.

The Company's key financial performance indicators during the year were as follows:

	2021	2020
	£'000	£'000
Amounts owed by group companies	17,865	17,615
Amounts owed to group companies	(104,275)	(104,275)

Due to the limited nature of the Company no other indicators are considered relevant.

RESULTS AND DIVIDENDS

The financial statements for the year show a loss for the financial year of £1,436,000 (2020: profit of £4,000). The company has paid no dividends during the year (2020: £nil). The directors do not recommend payment of a further dividend for the year (2020: £nil).

FINANCIAL POSITION

As at 31 December 2021 the company had net assets of £662,937,000 (2020: £664,373,000).

PRINCIPAL RISK AND UNCERTAINTIES

Entain plc reviews and evaluates key risks and uncertainties faced by the group as part of the reviews undertaken at its regular board meetings. The impact of risks and uncertainties of the company is considered as part of this review process.

The Company has no other significant risks or uncertainties other than those that arise from being a part of the Entain plc. The significant risks or uncertainties, including the Company's exposure to financial risk management are dealt with on pages 81 to 85 presented in the Annual Report 2021 of Entain plc.

S172 STATEMENT

This section of the strategic report describes how the directors have had regard to the matters set out in section 172(1) (a) to (f), and forms the statement required under section 414 C of the Companies Act 2006 (the "Act"). The role of the board of directors of the company plays an integral part in demonstrating how the directors have had regard to the matters set out in section 172(1). During the year the following primary tasks were undertaken by the board of directors of the company:

- Defining and establishing purpose and strategy including, where relevant, having regard to the purpose, strategy, culture and values defined by Entain plc.;
- Monitoring the potential significant operational challenges presented by the COVID-19 pandemic, having regard to the company's safe and reliable operations; and
- Assessing the principal and emerging risks relevant to the company.

In light of the role of the board, and their primary tasks and considerations throughout the year (as described above), the directors have discharged their duties under section 172(1) in a way that they considered, in good faith, is likely to promote the success of the company for the benefit of its members as a whole, having regard to the likely consequences of any decision in the long term and the broader interests of other stakeholders, as required by the Act. In doing so, the directors considered, amongst other matters:

- a. The likely long-term consequences of the decision.
- b. The need to foster the company's business relationships with others.
- c. The impact of the company's operations on the community and the environment.
- d. The desire to maintain the company's reputation for high standards of business conduct.
- e. The need to act fairly between members of the company.

The directors also considered the interests of a wider set of stakeholders. Further information on the process behind how the Entain plc board makes decisions that affect the stakeholders of its subsidiaries, including the company, can be found in Entain plc's Annual Report here: <https://entaingroup.com/investor-relations/financial-reports/>

CORAL GROUP TRADING LIMITED

STRATEGIC REPORT – FOR THE YEAR ENDED 31 DECEMBER 2019 (continued)

S172 STATEMENT (continued)

To support the directors in the discharge of their duties, and whilst making decisions on behalf of the company, the directors have access to Entain's central functions assurance support to identify matters which may have an impact on the proposed decision including, where relevant, the section 172 factors outlined above. To ensure the efficiency and effectiveness of engagement with key stakeholders identified by the company, certain stakeholder engagement is led by Entain group, particularly where the impact of a decision may impact the group's reputation.

MODERN SLAVERY

Entain plc and its global subsidiaries ("The Group") recognise that companies have an obligation to ensure that their business and supporting supply chains are slavery free. The Group's full modern slavery statement can be found at <https://entaingroup.com/sustainability/modern-slavery-statement/>

On behalf of the board

S Smith

Director

CORAL GROUP TRADING LIMITED

DIRECTORS' REPORT – FOR THE YEAR ENDED 31 DECEMBER 2021 (continued)

The directors present their Directors' Report and the Company's audited financial statements for the year ended 31 December 2021. Comparative information is presented for the year ended 31 December 2020.

The directors of the company who were in office during the year and up to the date of signing the financial statements were as follows:

Directors:	S Smith
	C Sutters
Secretary :	Ladbrokes Coral Corporate Director Limited
Registered Office :	3 rd Floor One New Change, London, EC4M 9AF
Company Number:	3674996

FUTURE DEVELOPMENTS

There are no significant expected changes in activity or position in the coming years.

FINANCIAL RISK MANAGEMENT

The company's exposure to financial risk management is outlined in the Strategic Report.

DIRECTORS' AND OFFICERS' LIABILITY INSURANCE

Entain plc maintains a qualifying (as defined by law) directors' and officers' liability insurance. The above named directors have received an indemnity from the group to the extent permitted by law throughout the period and up to the date of signing this report. Neither the indemnity nor the insurance will provide cover in situations where a director has acted fraudulently or dishonestly.

POLITICAL DONATIONS

Neither the Company nor any of its subsidiaries made any disclosable political donations or incurred any disclosable political expenditure during the year (2020: £nil).

DISCLOSURE OF INFORMATION TO AUDITOR

For all the directors at the time this report was approved, the following applies:

- a) so far as each director is aware, there is no relevant audit information of which the company's Auditor is unaware; and

each director has taken all the steps that they ought to have taken as director in order to make themselves aware of any relevant

GOING CONCERN

The financial statements have been prepared on a going concern basis which the directors consider to be appropriate for the following reasons.

The company is a subsidiary of the Group headed by Entain plc (the Group) with the status as that of a holding company. Consequently, the ability of the Company to continue as a going concern is based on the ability of the Group to continue as a going concern.

The Group has prepared financial forecasts comprising operating profit, balance sheet and cash flows covering the 36-month period to 2024. In preparing these forecasts, the directors have assessed the impact of the Covid-19 outbreak on the business and have revised the cash flow forecasts for 2022 to take account of the consequent reduction in profits and net cash inflows. These revised forecasts indicate that the Company will remain within its present facilities and that there is sufficient covenant headroom even under the sensitised downside scenarios.

CORAL GROUP TRADING LIMITED

DIRECTORS' REPORT – FOR THE YEAR ENDED 31 DECEMBER 2021 (continued)

GOING CONCERN (continued)

Entain plc has indicated its intention not to seek repayment of the amounts currently due to the group, which at 31 December 2021 amounted to £104,275,000 and to continue to make available such funds as are needed by the company, until at least 30 September 2023 and for the foreseeable future. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Consequently, the directors are confident that the Company will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

INDEPENDENT AUDITOR

Pursuant to Section 487 of the Companies Act 2006, KPMG LLP will be deemed to be reappointed and will therefore continue in office following a resolution put to the shareholders at the Annual General Meeting.

CORAL GROUP TRADING LIMITED

DIRECTORS' REPORT – FOR THE YEAR ENDED 31 DECEMBER 2021 (continued)

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CORAL GROUP TRADING LIMITED

Opinion

We have audited the financial statements of Coral Group Trading Limited ("the company") for the year ended 31 December 2021 which comprise income statement, balance sheet, statement of changes in equity and related notes, including the accounting policies in note 4.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2021 and of its loss for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the company or to cease their operations, and as they have concluded that the company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over their ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

In our evaluation of the directors' conclusions, we considered the inherent risks to the company's business model and analysed how those risks might affect the company's financial resources or ability to continue operations over the going concern period.

Our conclusions based on this work:

- we consider that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate;
- we have not identified, and concur with the directors' assessment that there is not, a material uncertainty related to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for the going concern period.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the above conclusions are not a guarantee that the group or the company will continue in operation.

Fraud and breaches of laws and regulations – ability to detect

Identifying and responding to risks of material misstatement due to fraud

To identify risks of material misstatement due to fraud ("fraud risks") we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included:

- Enquiring of directors as to the company's high-level policies and procedures to prevent and detect fraud, as well as whether they have knowledge of any actual, suspected or alleged fraud.
- Reading Board minutes.
- Using analytical procedures to identify any unusual or unexpected relationships.

We communicated identified fraud risks throughout the audit team and remained alert to any indications of fraud throughout the audit.

As required by auditing standards, we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries. On this audit we do not believe there is a fraud risk related to revenue recognition because there are no revenue transactions.

We did not identify any additional fraud risks.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CORAL GROUP TRADING LIMITED
(continued)

We also performed procedures including:

- Identifying journal entries to test based on risk criteria and comparing the identified entries to supporting documentation. These included unusual journal entries with a credit or debit entry to cash and unexpected credit entries to the profit and loss.

Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general commercial and sector experience and through discussion with the directors and other management (as required by auditing standards), and discussed with the directors and other management the policies and procedures regarding compliance with laws and regulations.

We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.

The potential effect of these laws and regulations on the financial statements varies considerably.

Firstly, the company is subject to laws and regulations that directly affect the financial statements including financial reporting legislation (including related companies legislation), distributable profits legislation and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

Secondly, the company is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of fines or litigation. We identified the following areas as those most likely to have such an effect: health and safety, anti-bribery and employment law, recognising the nature of the company's activities. Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the directors and other management and inspection of regulatory and legal correspondence, if any. Therefore, if a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

Context of the ability of the audit to detect fraud or breaches of law or regulation

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

Strategic report and directors' report

The directors are responsible for the strategic report and the directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the strategic report and the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the strategic report and the directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CORAL GROUP TRADING LIMITED
(continued)

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in their statement set out on page 6, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

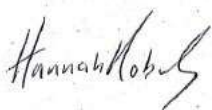

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

CORAL GROUP TRADING LIMITED

NOTES TO THE FINANCIAL STATEMENTS – FOR THE YEAR ENDED 31 DECEMBER 2021

1. CORPORATE INFORMATION

Coral Group Trading Limited ('the Company') is a private company limited by shares incorporated and domiciled in England and Wales within the United Kingdom. The address of its registered office and principal place of business is disclosed in the Directors' Report.

The financial statements of the Company for the year ended 31 December 2021 were authorised for issue in accordance with a resolution of the directors.

2. BASIS OF PREPARATION

These financial statements were prepared in accordance with The Companies Act 2006 as applicable to companies using Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*. (FRS 102) and in accordance with applicable accounting standards. The financial statements are prepared under the historical cost convention.

The Company has taken advantage of the exemption under s400 of the Companies Act 2006 not to prepare group financial statements as it is a wholly owned subsidiary of Entain plc.

The Company's financial statements are presented in Sterling, which is also the Company's functional currency, and all values are rounded to the nearest thousand pounds (£'000) except when otherwise indicated. The Company's financial statements are individual entity financial statements.

The accounting policies which follow in note 4 set out those policies which apply in preparing the financial statements for the year ended 31 December 2021. These policies have been applied consistently other than those newly adopted in the year.

FRS 102 allows a qualifying entity certain disclosure exemptions, subject to certain conditions, which have been complied with.

The Company has taken advantage of the exemptions set out below on the basis that it is a qualifying entity since its results are included in the consolidated financial statements of Ladbrokes Coral Group Limited which are available from 3rd Floor, One New Change, London, EC4M 9AF.

- Preparation of a cash flow statement
- Disclosure of related party transactions with and between wholly owned subsidiaries
- Disclosures relating to financial instruments.

3. KEY JUDGEMENTS AND SOURCES OF ESTIMATION UNCERTAINTY

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are addressed below.

Recoverable amount of non-current assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. Where an indicator of impairment exists, the Company makes a formal estimate of the recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The recoverable amount is the higher of an asset's or cash generating unit's fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Impairment losses on continuing operations are recognised in the income statement in those expense categories consistent with the function of the impaired asset.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1 Going concern

The financial statements have been prepared on a going concern basis which the directors consider to be appropriate for the following reasons.

The company is a subsidiary of the Group headed by Entain plc (the Group) with the status as that of a holding company. Consequently, the ability of the Company to continue as a going concern is based on the ability of the Group to continue as a going concern.

The Group has prepared financial forecasts comprising operating profit, balance sheet and cash flows covering the 36-month period to 2024. In preparing these forecasts, the directors have assessed the impact of the Covid-19 outbreak on the business and have revised the cash flow forecasts for 2022 to take account of the consequent reduction in profits and net cash inflows. These revised forecasts indicate that the Company will remain within its present facilities and that there is sufficient covenant headroom even under the sensitised downside scenarios.

Entain plc has indicated its intention not to seek repayment of the amounts currently due to the group, which at 31 December 2021 amounted to £104,275,000 and to continue to make available such funds as are needed by the company, until at least 30 September 2023 and for the foreseeable future. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Consequently, the directors are confident that the Company will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

4.2 Investment in subsidiaries

Investments in subsidiaries and joint ventures are held at historical cost less any provision for impairment.

Investment in subsidiaries are reviewed annually for impairment when indicators for impairment are identified, using a value in use calculation where the investment is considered a single cash generating unit. In determining value in use for the investment, future discounted cash flows from both possible and expected dividends are considered.

4.3 Finance expense and income

Finance expense and income arising on interest bearing financial instruments carried at amortised cost are recognised in the income statement using the effective interest rate method. Finance income represents income arising principally from loans to fellow group companies.

4.4 Financial instruments

The Company has chosen to adopt Sections 11 and 12 of FRS 102 in respect of financial instruments.

Borrowings are carried at their issue proceeds net of finance costs less amounts repaid. Finance costs are amortised over the life of the related borrowing.

4.5 Financial liabilities

Basic financial liabilities, including loans from fellow group companies are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan. Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

4.6 Financial assets

Financial assets are recognised when the Company becomes party to the contracts that give rise to them. The Company classifies financial assets at inception as loans and receivables, financial assets at fair value through profit or loss or financial assets at fair value through other comprehensive income. At 31 December 2021, the Company had only financial assets classified as loans and receivables.

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. On initial recognition, loans and receivables are measured at fair value plus directly attributable transaction costs. Subsequently, such assets are measured at amortised cost, using the effective interest (EIR) method, less any allowance for impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest receivable in the income statement. Losses arising from impairment are recognised in the income statement in other operating expenses. The Company's financial assets include cash and short-term deposits and trade and other receivables.

Trade receivables are generally accounted for at amortised cost. Expected credit losses are recognised for financial assets recorded at amortised cost, including trade receivables. Expected credit losses are calculated by using an appropriate probability of default, taking accounts of a range of possible future scenarios and applying this to the estimated exposure of the Group at the point of default.

4.7 Derecognition of financial assets and liabilities

Financial assets are derecognised when the right to receive cash flows from the assets has expired or when the Company has transferred its contractual right to receive the cash flows from the financial assets or has assumed an obligation to pay the received cash flows in full without material delay to a third party, and either:

- substantially all the risks and rewards of ownership have been transferred; or
- substantially all the risks and rewards have neither been retained nor transferred but control is not retained.

Financial liabilities are derecognised when the obligation is discharged, cancelled or expires.

4.8 Recoverable amount of non-current assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. Where an indicator of impairment exists, the Company makes a formal estimate of the recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The recoverable amount is the higher of an asset's or cash generating unit's fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Impairment losses on continuing operations are recognised in the income statement in those expense categories consistent with the function of the impaired asset.

4.9 Income tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted by the balance sheet date.

Deferred income tax is recognised on all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements, with the following exceptions:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- Deferred income tax assets are recognised only to the extent that it is probably that taxable profit will be available against which the deductible temporary differences, carried forward tax credits or tax losses can be utilised.

Deferred income tax assets and liabilities are measured on an undiscounted basis at the tax rates that are expected to apply when the related asset is realised or liability settled, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**4.9 Income tax (continued)**

The carrying amount of deferred income tax assets is reviewed at each balance sheet date.

Deferred income tax assets and liabilities are offset, only if a legally enforceable right exists to set off current tax assets against current tax liabilities, the deferred income taxes relate to the same taxation authority and that authority permits the Company to make a single net payment. Income tax is charged or credited to other comprehensive income. Similarly, income tax is charged or credited directly to equity if it relates to items that are credited or charged directly to equity. Otherwise income tax is recognised in the income statement.

5. LOSS BEFORE TAXATION

The audit fee for the Company of £2,500 has been borne by another Group company (2020: £2,500).

6. DIRECTORS AND EMPLOYEES

The directors who have served during the period are also directors of other undertakings within the group and their remuneration is paid by various subsidiaries of Entain plc. It is not practicable to identify the emoluments related solely to the Company and accordingly the aggregate amounts for remuneration for the directors of the Company paid across the entire Group are included below.

7. TAXATION**(a) Tax credit in the income statement**

	2021	2020
	£'000	£'000
Current tax		
UK corporation tax	-	-
Total current tax	-	-

Total tax on loss reported in the income statement	(5)	(4)

CORAL GROUP TRADING LIMITED

NOTES TO THE FINANCIAL STATEMENTS – FOR THE YEAR ENDED 31 DECEMBER 2021 (continued)

7. TAXATION (continued)

(c) Change in corporation tax rate

In the Budget on 3 March 2021 the Chancellor announced that the standard rate of UK Corporation Tax would increase from 19% rate to 25% on 1 April 2023. This change was substantively enacted on 24 May 2021. Both the 19% and 25% rate have therefore been used in measuring deferred tax items, depending on the expected rate of reversal of any timing differences.

(d) Deferred tax

Movements in the deferred tax liability during the period were as follows:

	£'000
At 1 January 2021	(5)
Adjustment in respect of prior years	5
At 31 December 2021	-

The deferred tax liability included in the Company balance sheet consists of

	2021 £'000	2020 £'000
Fixed asset timing differences	-	5
Deferred tax liability	-	5

8. INVESTMENTS IN SUBSIDIARIES

	Shares in subsidiary investments £'000	Other Investments £'000	Total £'000
<i>Cost</i>			
At 1 January and 31 December 2021	745,654	5,134	750,788
<i>Accumulated impairment</i>			
Impairment charged in the year	-	1,441	1,441
<i>Net book value</i>			
At 31 December 2020	745,654	5,134	750,788
At 31 December 2021	745,654	3,693	749,347

Other investments relate to a 15% holding in Hui 10, a company registered in China, for a consideration of £5,134,000. The investment was written down to its recoverable value of £3,694,000 in the current year.

There is not a material difference between the book values presented above and the historical cost of the investments held by the Company.

An impairment loss is recognized for any amount by which an asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and its value in use where the investment is considered a single cash generating unit.

The expected cash flows generated by the assets are discounted using appropriate discount rates that reflect the time value of money and risks associate with the group of assets.
