

DIRECTOR'S IRREVOCABLE UNDERTAKING

To: GVC Holdings plc (*Offeror*); and
bwin.party digital entertainment plc (*bwin.party*)

3 September 2015

Dear Sirs,

Acquisition of bwin.party

I, the undersigned, understand that the Offeror is considering the Acquisition (as defined below) substantially on the terms and conditions set out or referred to in a draft of the press announcement, a copy of which is set out in Schedule 2 hereto (the *Press Announcement*) and/or on such other terms and conditions as required by (i) any applicable law or regulation; and (ii) the City Code on Takeovers and Mergers (the *Code*), as applied pursuant to the terms of the co-operation agreement to be entered into between bwin.party and the Offeror on or around the date of this undertaking (the *Co-operation Agreement*). I further understand that the Offeror is considering the Fundraising (as defined in the Press Announcement).

I understand that the Acquisition and certain matters necessary for the implementation of the Acquisition and the Fundraising will be conditional, inter alia, on the approval of Offeror's shareholders and Offeror will convene a meeting of its shareholders to approve, among other things, the Acquisition and certain matters necessary for the implementation of the Acquisition and the Fundraising.

This undertaking sets out the terms and conditions on which I will vote in respect of any Relevant Resolutions (as defined in paragraph 8 below).

Interpretation

1. In this undertaking:
 - (a) references to the *Offer* means any takeover offer, including any new, increased, revised or renewed takeover offer, to be made by or on behalf of Offeror to acquire all the issued ordinary share capital of bwin.party and references to the *Scheme* means any scheme of arrangement of bwin.party under section 295 of the Companies Act 2014 of Gibraltar (as amended) (including any new, increased, renewed or revised scheme of arrangement) for the acquisition by Offeror of all the issued share capital of bwin.party, in each case provided that the consideration to be paid to the holders of ordinary shares of 0.015 p each in the capital of bwin.party in respect of each such share has a value as at the time of announcement of such Offer or Scheme which, in the opinion of Deutsche Bank, is greater than or equal to the value of the Offer stated in the Press Announcement at the time such announcement is made. A reference in this undertaking to the *Acquisition* means the proposed acquisition by Offeror of ordinary shares of 0.015p each in the capital of bwin.party pursuant to the Offer or the Scheme (as applicable); and
 - (b) unless otherwise defined in this undertaking or unless the context requires otherwise, capitalised terms shall have the meaning given to them in the Press Announcement.

The Code

2. Pursuant to, and subject to the provisions of, the Co-operation Agreement, Offeror and bwin.party have agreed, subject to the terms of that agreement, to observe and comply with the Code in relation to the conduct and execution of the Acquisition (as defined in paragraph 1 of this undertaking) as though bwin.party were subject to the Code. Any reference in this undertaking to the Code (or compliance with the Code) shall mean the Code as applied pursuant to, and subject to, the Co-operation Agreement.

Shareholdings

3. I represent and warrant to Offeror that:
- (a) I am the registered and/or beneficial owner of 135,075 ordinary shares of €0.01 each in the capital of Offeror (the **Offeror Shares**) and that I hold the beneficial interest in such shares free of any encumbrances or third party rights of any kind whatsoever and that I am able to procure the exercise of voting rights on, and/or the transfer of, such shares;
 - (b) I am also the holder of the options and/or awards granted under the share plans or other incentive arrangements of Offeror over the number of shares specified in Schedule 1 hereto;
 - (c) other than as set out in this paragraph 3, I do not have any interest (as defined in the Code) in any securities of Offeror or any rights to subscribe for, purchase or otherwise acquire any such securities; and
 - (d) I have full power and authority to enter into this undertaking and to perform the obligations under it.

Dealings and undertakings

4. I undertake to Offeror that before this undertaking lapses in accordance with paragraph 14 below, I shall not:
- (a) sell, transfer, charge, encumber, grant any option or lien over or otherwise dispose of any interest in any Offeror Shares or any other shares in Offeror issued or allotted to, or otherwise acquired by, me before then (**Further Offeror Shares**);
 - (b) exercise or permit the exercise of voting rights attaching to the Offeror Shares and any Further Offeror Shares in any manner which would restrict or impede the Acquisition or the Fundraising being completed;
 - (c) (other than pursuant to the Acquisition) enter into any undertaking, agreement or arrangement, incur any obligation or give any indication of intent:
 - (i) to do any of the acts referred to in paragraphs 4.(a) or 4(b); or
 - (ii) which, in relation to the Offeror Shares or any Further Offeror Shares, would or might restrict or impede the completion of the Acquisition or the Fundraising; and
 - (d) prior to the earlier of this undertaking lapsing in accordance with paragraph 14 below or either the Offer becoming or being declared unconditional as to acceptances or the

Scheme being approved by the Court, acquire any interests (as defined in the Code) or otherwise deal or undertake any dealing (as defined in the Code) in any relevant securities (as defined in the Code) of bwin.party or Offeror (including, for the avoidance of doubt, exercising any of the options referred to in paragraph 3).

5. In respect of any Offeror Shares or Further Offeror Shares of which I am not the registered holder, I undertake to cause the registered holder(s) of such shares to comply with the undertakings in paragraph 4 above.

Undertaking to vote in favour of the Acquisition

6. I irrevocably (subject only as provided in this undertaking) undertake that:

- (a) I shall exercise (or procure the exercise of) all voting rights attaching to the Offeror Shares and any Further Offeror Shares to vote in favour of all resolutions (whether or not amended) proposed at any general or class meeting of Offeror, or any adjournment of any such meeting, the passing of which is necessary to approve or implement the Acquisition, the Fundraising and/or any related matters;
- (b) I shall execute (or procure the execution of) any forms of proxy in respect of the Offeror Shares and any Further Offeror Shares required by bwin.party (or by Offeror with bwin.party's prior written consent) appointing any person nominated by bwin.party to attend and vote at any general or class meeting of Offeror, or any adjournment of any such meeting, in respect of any resolution the passing of which is necessary to approve or implement the Acquisition, the Fundraising and/or any related matters, and shall ensure that any such executed forms of proxy are received by Offeror's registrars not later than 3.00 p.m. on the tenth day after Offeror gives notice to convene such meeting (or, in respect of any Further Offeror Shares, within three days of my becoming (or my nominee becoming) the registered holder of such shares, if later); and
- (c) I shall not revoke and, in respect of any Offeror Shares or Further Offeror Shares of which I am not the registered holder, I shall procure that any registered holder(s) of any such shares will not revoke, the terms of any proxy submitted in accordance with this paragraph 6, either in writing or by attendance at any meeting or otherwise.

Voting Rights

7. From the time of the Press Announcement to the time this undertaking lapses in accordance with paragraph 14:

- (a) I shall exercise (or procure the exercise of) the voting rights attached to the Offeror Shares and any Further Offeror Shares on a Relevant Resolution (as defined in paragraph 8) only in accordance with the directors of bwin.party (or of Offeror with bwin.party's prior written consent);
- (b) I shall exercise the rights attaching to the Offeror Shares, and exercise (or procure the exercise of) the rights attaching to any Further Offeror Shares, to requisition or join in requisitioning any general or class meeting of Offeror pursuant to the Companies Act 2006 of the Isle of Man (as amended) for the purposes of considering a Relevant Resolution only in accordance with the directors of bwin.party (or of Offeror with bwin.party's prior written consent); and

(c) for the purpose of voting, in respect of Offeror Shares or Further Offeror Shares, on a Relevant Resolution, I shall execute (or procure the execution of) any form of proxy required by bwin.party (or by Offeror with bwin.party's prior written consent) appointing any person nominated by bwin.party to attend and vote at the relevant general or class meeting of Offeror.

8. A **Relevant Resolution** means:

(a) a resolution (whether or not amended) proposed at a general or class meeting of Offeror, or at an adjournment of such meeting, the passing of which is necessary to approve or implement the Acquisition, the Fundraising and/or any related matters or which, if passed, might result in any condition of the Acquisition and/or of the Fundraising not being fulfilled or which might impede or frustrate the Acquisition and/or the Fundraising in any way;

(b) a resolution to adjourn a general or class meeting of Offeror whose business includes the consideration of a resolution falling within paragraph 8.(a); and

(c) a resolution to amend a resolution falling within paragraph 8.(a) or paragraph 8(b).

Documentation

9. I consent to:

(a) the inclusion of references to me and the registered holder of any Offeror Shares or Further Offeror Shares, and particulars of this undertaking and my holdings of relevant securities of Offeror, being included in the Press Announcement and any Offer document, Scheme document, prospectus, listing document and/or any other announcement made, or document issued, by or on behalf of Offeror or bwin.party in connection with the Acquisition; and

(b) this undertaking being available for inspection as required by Rule 26.1 of the Code or the Listing Rules of the Financial Conduct Authority.

10. I shall promptly give you all information in relation to my interests and dealings in securities of Offeror or bwin.party as you may reasonably require for the preparation of the Press Announcement, any Offer document, Scheme document, prospectus, listing document and/or any other announcement to be made, or document to be issued, by or on behalf of Offeror or bwin.party in connection with the Acquisition in order to comply with the requirements of the Code (as applied pursuant to the Co-operation Agreement and bwin.party's articles of association), the Court, the Companies Act 2014 of Gibraltar (as amended) the UK Companies Act 2006, the Isle of Man Companies Act 2006, the Financial Conduct Authority, the London Stock Exchange or any other legal or regulatory requirement or body. I shall immediately notify you in writing of any change in the accuracy or import of any such information previously given to you.

Secrecy

11. I shall keep secret the possibility, terms and conditions of the Acquisition and the existence of this undertaking until the Press Announcement is released, provided that I may disclose the same to bwin.party and its advisers in which case I shall procure that they observe secrecy in the same terms. The obligations in this paragraph shall survive termination of this undertaking.

12. I understand that the information you have given to me in relation to the Acquisition must be kept confidential until the Press Announcement is released or the information has otherwise become generally available. To the extent any of the information is inside information for the purposes of the Criminal Justice Act 1993 or the Financial Services and Markets Act 2000, as amended, I will comply with the applicable restrictions in those enactments on dealing in securities and disclosing inside information.

Time of the Essence

13. Any time, date or period mentioned in this undertaking may be extended by mutual agreement but as regards any time, date or period originally fixed or as extended, time shall be of the essence.

Lapse of undertaking

14. This undertaking shall lapse if:

- (a) the Press Announcement is not released by 14 September 2015 or such later date as Offeror and bwin.party may agree in writing;
- (b) the Scheme does not become effective or, if Offeror elects, subject to Offeror and bwin.party agreeing or as otherwise permitted in accordance with the Co-operation Agreement, to implement the Acquisition by way of an Offer, the Offer does not become and is not declared unconditional as to acceptances, in each case by 31 March 2016 or such later date as Offeror and bwin.party may agree in writing;
- (c) the board of directors of Offeror withdraws, adversely modifies or qualifies its recommendation to the Offeror shareholders to vote in favour of the resolutions concerning the Acquisition and/or the Fundraising;
- (d) Offeror announces, with the consent of the bwin.party Board (pursuant to the Co-operation Agreement), that it does not intend to make or proceed with the Acquisition and no new, revised or replacement Offer or Scheme is announced in accordance with Rule 2.7 of the Code at the same time;
- (e) the Offer or Scheme lapses or is withdrawn and no new, revised or replacement Scheme or Offer has been announced, in accordance with Rule 2.7 of the Code, in its place or is announced, in accordance with Rule 2.7 of the Code, at the same time; or
- (f) the Offer becomes or is declared wholly unconditional or the Scheme becomes effective.

If this undertaking lapses, I shall have no claim against Offeror or bwin.party.

Power of Attorney

15. In order to secure the performance of my obligations under this undertaking, I hereby make, constitute and appoint each director of bwin.party as at the date of this undertaking severally as my attorney with full power to act for me, in my name, place and stead to do all or any of the following acts, deeds or things, that is to say:

- (a) if I fail to comply with any of the undertakings in paragraph 6, in my name and on my behalf to do all things and to execute all deeds and other documents as may be

necessary or desirable to ensure compliance with such undertakings in respect of the Offeror Shares and any Further Offeror Shares (as appropriate); and

- (b) to execute any form of proxy required by bwin.party (or by Offeror with the prior written consent of bwin.party) to appoint any person nominated by bwin.party to attend a general or class meeting of Offeror and vote on a Relevant Resolution.

16. I agree that this power of attorney is given by way of security and is irrevocable in accordance with section 4 Powers of Attorney Act 1971 until this undertaking lapses in accordance with paragraph 14.

Specific Performance

17. I agree that, if I fail to comply with any of the undertakings in paragraph 6 or breach any of my other obligations under this undertaking, damages would not be an adequate remedy and accordingly each of bwin.party and Offeror shall be entitled to the remedies of specific performance, injunction or other equitable relief.

This undertaking

18. I acknowledge that I have been given a realistic opportunity to consider whether or not I should give this undertaking and I confirm that I have received independent advice about the nature of this undertaking.

Capacity

19. For the avoidance of doubt, this undertaking is entered into by me in my capacity as a shareholder of Offeror only and not in my capacity as a director of Offeror. Nothing contained in this undertaking shall require me to take or not take any decision or action in my capacity as a director of Offeror.

RECOMMENDED OFFER

for

bwin.party digital entertainment plc (“bwin.party”)

by

GVC Holdings plc (“GVC”)

**to be effected by means of a Scheme of Arrangement under
Part VIII of the Gibraltar Companies Act**

Summary

- The boards of GVC and bwin.party are pleased to announce that they have reached agreement on the terms of a recommended offer pursuant to which GVC will acquire the entire issued and to be issued ordinary share capital of bwin.party. The Offer is intended to be effected by means of a scheme of arrangement of bwin.party under Part VIII of the Gibraltar Companies Act.
- Under the terms of the Offer, bwin.party Shareholders will be entitled to receive:

For each bwin.party Share: 25 pence in cash and 0.231 New GVC Shares

The Offer represents a value of approximately 129.64 pence per bwin.party Share based on the closing price per GVC Share at the close of business on 3 September 2015 (being the latest practicable date prior to publication of this announcement). On this basis, the Offer values the entire issued and to be issued ordinary share capital of bwin.party on a fully diluted basis at approximately £1.116 billion.

Based on the offer value of 129.64 pence per bwin.party Share, the Offer represents a premium of approximately:

- 12.5 per cent. to the closing price per bwin.party Share of 115.20 pence on 3 September 2015 (being the last business day before the date of this announcement);

- 45.0 per cent. to the closing price per bwin.party Share of 89.40 pence on 14 May 2015 (being the last business day before the date of the announcement by bwin.party on 15 May 2015 that it had received proposals (including from GVC) regarding a variety of possible business combinations);
- 54.6 per cent. to the volume weighted average closing price per bwin.party Share of 83.87 pence in the three months prior to the announcement by bwin.party on 15 May 2015 referred to above;
- 23.6 per cent. to the implied value of the previously announced offer for bwin.party made by 888 on 17 July 2015, based on the closing price per 888 share of 162.00 pence on 3 September 2015 (being the last business day before the date of this announcement); and
- 12.9 per cent. to the implied value of 888's revised proposal to its offer for bwin.party (details of which are set out in paragraph 8 below of this announcement) based on the closing price per 888 share of 162.00 pence on 3 September 2015 (being the last business day before the date of this announcement).
- The bwin.party Shareholders as at the record date for the bwin.party Permitted Dividend will be entitled to receive and retain the bwin.party Permitted Dividend.
- The Offer will include a Mix and Match Facility, so that bwin.party Shareholders will be able to elect to vary the proportions of cash and New GVC Shares they receive, subject to the elections made by other bwin.party Shareholders. The Mix and Match Facility will not change the total number of New GVC Shares to be issued by GVC or the total cash consideration to be paid pursuant to the Offer.
- GVC Shares are currently admitted to trading on AIM. Application will be made to the UKLA for the GVC Shares together with the New GVC Shares to be issued pursuant to the Offer and the Fundraising to be admitted to the Standard Segment of the Official List and to trading on the Main Market of the London Stock Exchange on Completion. Completion of the Offer is conditional on, among other things (i) admission of the GVC Shares and the New GVC Shares to the Standard Segment of the Official List and to trading on the Main Market of the London Stock Exchange or (ii) in the alternative, admission to trading on AIM.
- Once GVC Shares together with the New GVC Shares are admitted to the Standard Segment of the Official List and to trading on the Main Market of the London Stock Exchange, GVC intends to make an application to the UKLA to transfer the GVC Shares and the New GVC Shares from the Standard Segment of the Official List to the Premium Segment of the Official List as soon as practicable following publication of the GVC Report and Accounts for the year ending 31 December 2015.
- The cash consideration payable under the Offer will be funded by up to €400.0 million (approximately £291.3 million) of senior secured debt provided by Cerberus. In addition GVC proposes to raise approximately £150.0 million (approximately €206.0 million) by way of a placing of New GVC Shares to institutional investors, and a subscription of New GVC Shares by certain investors, under the Fundraising. Certain GVC Directors will also

participate in the Fundraising. The net proceeds of the Fundraising will be used by GVC, amongst other things, to fund reorganisation costs within the Enlarged Group and for general working capital purposes. The proceeds from the Fundraising are not required for, nor will they be used to fund, the cash consideration to be paid pursuant to the Offer.

- Following Completion, bwin.party Shareholders will own approximately 66.6 per cent. of the Enlarged Group and will be able to participate in the future growth prospects of the Enlarged Group.
- The bwin.party Directors, who have been so advised by Deutsche Bank, consider the terms of the Offer to be fair and reasonable. In providing advice to the bwin.party Directors, Deutsche Bank has taken into account the commercial assessments of the bwin.party Directors.
- Accordingly, the bwin.party Directors intend unanimously to recommend that bwin.party Shareholders vote in favour of the Scheme at the Court Meeting and the bwin.party Shareholder Resolution at the bwin.party General Meeting, as the bwin.party Directors have irrevocably undertaken to do in respect of their own beneficial holdings of 14,388,127 bwin.party Shares representing, in aggregate, approximately 1.7 per cent. of the ordinary share capital of bwin.party in issue on 3 September 2015 (being the latest practicable date prior to the publication of this announcement).
- Furthermore, GVC has received an irrevocable undertaking from Henderson Global Investors and bwin.party has received a commitment from Androsch Privatstiftung to provide an irrevocable undertaking in support of the Scheme. This represents an aggregate of 75,108,395 other bwin.party Shares, representing approximately 9.1 per cent. of the share capital of bwin.party in issue on 3 September 2015 (being the latest practicable date prior to the publication of this announcement).
- Accordingly, GVC has received irrevocable undertakings in support of the Scheme in relation to an aggregate of 89,496,522 bwin.party Shares, representing approximately 10.8 per cent. of the share capital of bwin.party in issue on 3 September 2015 (being the latest practicable date prior to the publication of this announcement). Further details of these irrevocable undertakings are set out in Appendix III to this announcement.
- The Offer will be put to bwin.party Shareholders at the Court Meeting and at the bwin.party General Meeting. In order to become effective, the Scheme must be approved by a majority in number of the bwin.party Shareholders voting at the Court Meeting, either in person or by proxy, representing at least three-quarters in value of the bwin.party Shares voted at the Court Meeting. In addition, the bwin.party Shareholder Resolution which, among other things, amends the articles of association of bwin.party, must be passed by bwin.party Shareholders at the bwin.party General Meeting.
- The GVC Directors believe the Offer represents a compelling opportunity for shareholders of both GVC and bwin.party to benefit from the significant value opportunity arising from the restructuring and refocusing of bwin.party and the associated restructuring of GVC. Based on their experience on the Sportingbet acquisition (which completed on 19 March 2013) and their knowledge of the bwin.party business, the GVC Directors believe that the

proposed acquisition of bwin.party will lead to substantial cost savings for the Enlarged Group, which are expected to be at least €125 million per annum by the end of 2017 as measured against the financial results of GVC and bwin.party for the 12 months ended 31 December 2014.

- GVC is a leading provider of B2B and B2C services to the online gaming and sports betting markets. GVC's B2C offerings target a number of European and Latin American markets and include the Sportingbet business which it acquired in 2013 pursuant to a joint takeover offer with William Hill. GVC's B2B businesses include the third party support contract for East Pioneer Corporation B.V., which acquired the Superbahis brand from Sportingbet on 21 November 2011.
- The Offer is subject to the Conditions and further terms set out in Appendix I to this announcement, including the sanction of the Scheme by the Court, the satisfaction of certain antitrust and regulatory conditions, approval of the GVC Resolutions by the GVC Shareholders at the GVC General Meeting and Admission to Trading of the GVC Shares. Upon the Scheme becoming effective, it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the bwin.party General Meeting and, if they attended and voted, whether or not they voted in favour.
- The Offer, being a transaction of this size, constitutes a "reverse takeover" (as defined in the AIM Rules) for GVC. Accordingly, GVC will be required to seek the approval of GVC Shareholders at the GVC General Meeting for the Offer. The Offer will be conditional upon, amongst other things, the Fundraising becoming unconditional (other than as to Admission and any conditions of the Placing Agreement and Subscription Letters relating to conditions of the Offer that will be satisfied by Admission) and the passing by the requisite majority at the GVC General Meeting of the GVC Resolutions to approve the Offer and the authorities to increase the authorised share capital of GVC and to issue the New GVC Shares pursuant to the Offer and the Fundraising.
- bwin.party and GVC have entered into the GVC Co-operation Agreement in relation to the Offer pursuant to which, among other things, a break payment may be payable by bwin.party and/or GVC if the Offer lapses in certain circumstances. Further details are set out in paragraph 22 of this announcement.
- The GVC Directors intend unanimously to recommend that GVC Shareholders vote in favour of the GVC Resolutions to be proposed at the GVC General Meeting, as the GVC Directors have irrevocably undertaken to do in respect of their controlled holdings of 245,482 GVC Shares, representing in aggregate, approximately 0.4 per cent. of the share capital of GVC in issue on 3 September 2015 (being the latest practicable date prior to the publication of this announcement).
- Furthermore, GVC has received irrevocable undertakings and a letter of intent from certain other GVC Shareholders to vote in favour of the GVC Resolutions to be proposed at the GVC General Meeting in respect of an aggregate of 14,368,556 GVC Shares, representing approximately 23.4 per cent. of the share capital of GVC in issue on 3 September 2015 (being the latest practicable date prior to the publication of this announcement).

- Accordingly, GVC has received irrevocable undertakings and a letter of intent to vote in favour of the GVC Resolutions to be proposed at the GVC General Meeting in respect of an aggregate of 14,614,038 GVC Shares, representing approximately 23.8 per cent. of the share capital of GVC in issue on 3 September 2015 (being the latest practicable date prior to the publication of this announcement). Further details of these irrevocable undertakings are set out in Appendix III to this announcement.
- The Scheme Document, containing further information about the Offer and notices convening the Court Meeting and the bwin.party General Meeting, together with the relevant Forms of Proxy and Form of Election will be sent to bwin.party Shareholders in due course and will be made available by GVC on its website at www.gvc-plc.com/html/investor/welcome.asp and by bwin.party on its website at www.bwinparty.com. It is expected that, subject to the satisfaction or (where applicable) waiver of the conditions and certain further terms set out in Appendix I to this announcement and to be set out in the Scheme Document, the Scheme will become effective in late Q4 2015 or in Q1 2016.
- It is expected that the GVC Prospectus, containing information about the GVC Shares (including the New GVC Shares) and the Enlarged Group and a notice convening the GVC General Meeting, will be published at the same time as the Scheme Document is posted to bwin.party Shareholders.
- Norbert Teufelberger, current CEO of bwin.party, will join the board of the Enlarged Group as a non-executive director, ensuring that it has direct access to and can benefit from his intimate knowledge of the activities and operations of the bwin.party business.
- As a result of the bwin.party Board's change in recommendation, the 888 Co-operation Agreement has terminated in accordance with its terms.

Commenting on the Offer, Philip Yea, Chairman of bwin.party, said:

“In recommending the Offer from GVC, the Board has taken into account many factors including, but not limited to, the headline value per share and the consideration being offered, the level, timing and deliverability of the financial synergies to be generated and the enlarged Group's growth strategy in an increasingly competitive marketplace. As a result of these and other factors, including the proven track record of GVC's management team in creating substantial value for shareholders, after a carefully managed and diligent review process, the Board has withdrawn its recommendation for the 888 offer and is now advising bwin.party shareholders to vote in favour of the Offer from GVC.”

Commenting on the Offer, Kenneth Alexander, Chief Executive Officer of GVC, said:

“GVC is the natural partner for bwin.party considering our strong sports betting and online gaming pedigree. Sports betting is in our DNA and leveraging GVC's experience of successfully acquiring and restructuring online gaming businesses, notably Sportingbet in 2013, we look forward to merging the two operations to deliver long term value for combined shareholders. GVC has been working closely with bwin.party's management and has identified many talented individuals with whom it looks forward to working to ensure the future success of the enlarged business.”

The City Code on Takeovers and Mergers

By virtue of its status as a Gibraltar incorporated company, the City Code does not apply to bwin.party. bwin.party has incorporated certain takeover-related provisions into its articles of association but these do not provide bwin.party Shareholders with the full protections offered by the City Code and enforcement of such provisions are the responsibility of bwin.party, not the Panel. Accordingly, bwin.party Shareholders are reminded that the Panel does not have responsibility, in relation to bwin.party, for ensuring compliance with the City Code and is not able to answer bwin.party Shareholders' queries. bwin.party and GVC have agreed in the GVC Co-operation Agreement certain matters regarding the application of the City Code to the Offer, and the terms of that agreement are summarised in this announcement.

In particular, public disclosures consistent with the provisions of Rule 8 of the City Code (as if it applied to bwin.party) should not be emailed to the Panel, but, as described below, released directly through a Regulatory Information Service.

The New GVC Shares are not being offered to the public by means of this announcement. This announcement is an advertisement and is for information purposes only and does not constitute a prospectus or prospectus equivalent document.

The Offer will be made solely by means of the Scheme Document or any other document by which the Offer is made which will contain the full terms and Conditions of the Offer, including details of how to vote in respect of the proposed acquisition of bwin.party by GVC. The GVC Prospectus will be published by GVC on the date on which the Scheme Document is posted to bwin.party Shareholders. The GVC Prospectus will contain information about the Enlarged Group and the New GVC Shares and a notice convening the GVC General Meeting.

This announcement has been prepared for the purpose of complying with English and Gibraltar law, the Listing Rules and the AIM Rules and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of jurisdictions outside the United Kingdom and Gibraltar.

bwin.party will prepare the Scheme Document to be distributed to bwin.party Shareholders. bwin.party and GVC urge bwin.party Shareholders to read the Scheme Document and the GVC

Prospectus when each becomes available because they will contain important information relating to the Offer.

Overseas Shareholders

The release, publication or distribution of this announcement in certain jurisdictions may be restricted by law. Persons who are not resident in the United Kingdom or Gibraltar or who are subject to other jurisdictions should inform themselves of, and observe, any applicable requirements. Any failure to comply with these requirements may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Offer disclaim any responsibility or liability for the violation of such requirements by any person.

US bwin.party Shareholders should note that the Offer relates to the securities of a Gibraltar company which are admitted to trading on a UK regulated market, is subject to Gibraltar and UK procedural and disclosure requirements (which are different from those of the US) and is proposed to be implemented under a scheme of arrangement provided for under the company law of Gibraltar. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules under the US Exchange Act. Accordingly, the Scheme will be subject to Gibraltar procedural and disclosure requirements and practices, which are different from the procedural and disclosure requirements of the US tender offer rules. The financial information with respect to bwin.party included in this announcement and the Scheme documentation has been or will have been prepared in accordance with IFRS and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If GVC exercises its right to implement the acquisition of the bwin.party Shares by way of a Takeover Offer, such offer will be made in compliance with applicable US tender offer and securities laws and regulations.

The New GVC Shares have not been, and will not be, registered under the US Securities Act or under the securities laws of any state or other jurisdiction of the United States. Accordingly, the New GVC Shares may not be offered, sold, resold, delivered, distributed or otherwise transferred, directly or indirectly, in or into the United States absent registration under the US Securities Act or an exemption therefrom. The New GVC Shares are expected to be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof. bwin.party Shareholders who will be affiliates of GVC after the Effective Date will be subject to certain US transfer restrictions relating to the New GVC Shares received pursuant to the Scheme. For a description of these and certain further restrictions on offers, sales and transfers of the New GVC Shares and the distribution of this announcement, see paragraph 19 of this announcement.

The receipt of New GVC Shares and cash pursuant to the Offer by a US bwin.party Shareholder may be a taxable transaction for US federal income tax purposes and under applicable state and local, as well as foreign and other tax laws. Each bwin.party Shareholder is urged to consult his independent professional advisor immediately regarding the tax consequences of acceptance of the offer.

It may be difficult for US bwin.party Shareholders to enforce their rights and claims arising out of the US federal securities laws, since GVC and bwin.party are located in countries other than the

United States, and some or all of their officers and directors may be residents of countries other than the United States. US bwin.party Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

None of the securities referred to in this announcement have been approved or disapproved by the SEC, any state securities commission in the United States or any other US regulatory authority, nor have such authorities passed upon or determined the adequacy or accuracy of the information contained in this announcement. Any representation to the contrary is a criminal offence in the United States. Unless otherwise determined by GVC and permitted by applicable law and regulation, the Offer will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Offer by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement and all documents relating to the Offer are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this announcement and all documents relating to the Offer (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction.

The availability of the Offer to bwin.party Shareholders who are not resident in the United Kingdom or Gibraltar may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom or Gibraltar should inform themselves of, and observe, any applicable requirements.

followed by or that include the words “targets”, “plans”, “believes”, “expects”, “aims”, “intends”, “will”, “may”, “anticipates”, “estimates”, “projects” or words or terms of similar substance or the negative thereof, are forward looking statements. Forward looking statements include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of GVC’s or bwin.party’s operations and potential synergies resulting from the Offer; and (iii) the effects of government regulation on GVC’s or bwin.party’s business.

Such forward looking statements involve risks and uncertainties that could significantly affect expected results and are based on certain key assumptions. Many factors could cause actual results to differ materially from those projected or implied in any forward looking statements. Due to such uncertainties and risks, readers are cautioned not to place undue reliance on such forward looking statements, which speak only as of the date hereof. Each of GVC and bwin.party disclaims any obligation to update any forward looking or other statements contained herein, except as required by applicable law.

No profit forecasts or estimates

No statement in this announcement is intended as a profit forecast or estimate for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per share for GVC or bwin.party, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for GVC or bwin.party, as appropriate.

Disclosure requirements

bwin.party is a Gibraltar company and is therefore not subject to the City Code. Accordingly, shareholders of bwin.party and others dealing in bwin.party Shares are not obliged to disclose any of their dealings under the provisions of the City Code. However, market participants are requested to make disclosure of dealings as if the City Code applied and as if bwin.party were in an “offer period” under the City Code. bwin.party Shareholders and persons considering the acquisition or disposal of any interest in bwin.party Shares are reminded that they are subject to the Disclosure and Transparency Rules made by the UKLA and other applicable regulatory rules regarding transactions in bwin.party Shares.

bwin.party’s website contains the form of disclosure requested. If you are in any doubt as whether or not you should disclose dealings, you should contact an independent financial adviser authorised by the Financial Conduct Authority under the FSMA (or, if you are resident in a jurisdiction other than the United Kingdom, a financial adviser authorised under the laws of such jurisdiction).

In light of the foregoing, as provided in Rule 8.3(a) of the City Code, any person who is “interested” in one per cent. or more of any class of “relevant securities” of bwin.party or of any “securities exchange offeror” (being any “offeror” other than an “offeror” in respect of which it has been announced that its “offer” is, or is likely to be, solely in “cash”) is requested to make an Opening Position Disclosure following the commencement of the “offer period” which begins upon the release of this announcement.

An Opening Position Disclosure should contain details of the person's interests and short positions in, and rights to subscribe for, any "relevant securities" of each of (i) bwin.party and (ii) GVC. Persons to whom Rule 8.3(a) would have applied had the City Code been applicable are requested to make an Opening Position Disclosure by no later than 3:30 p.m. (London time) on the tenth "business day" following the commencement of the "offer period" which begins upon the release of this announcement. Relevant persons who undertake "dealings" in the relevant securities of bwin.party or a "securities exchange offeror" prior to the deadline for making an Opening Position Disclosure are requested instead to make a Dealing Disclosure.

Rule 8.3(b) of the City Code provides that if any person is, or becomes "interested" (directly or indirectly) in one per cent. or more of any class of "relevant securities" of an offeree or of any "securities exchange offeror", all "dealings" in any "relevant securities" of that offeree or of any "securities exchange offeror" (including by means of an option in respect of, or a derivative referenced to, any such "relevant securities") should be publicly disclosed in a Dealing Disclosure by no later than 3:30 p.m. (London time) on the "business day" following the date of the relevant transaction. In a situation where the City Code applies, this requirement would continue until the date on which any "offer" becomes, or is declared, unconditional as to acceptances, lapses or is otherwise withdrawn or on which the "offer period" otherwise ends. Under Rule 8 of the City Code, a Dealing Disclosure would contain details of the "dealing" concerned and of the person's interests and short positions in, and rights to subscribe for, any "relevant securities" of (i) bwin.party and (ii) any "securities exchange offeror", save to the extent that these details have previously been disclosed under Rule 8.

Accordingly, in the case of both an Opening Position Disclosure and Dealing Disclosure (if any), disclosures of interests in the shares of each of GVC and bwin.party are requested to be made.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire an "interest" in "relevant securities" of bwin.party or a "securities exchange offeror", they would, if the City Code were applicable, be deemed to be a single person for the purpose of Rule 8.3 of the City Code.

Consistent with the provisions of Rule 8.1 of the City Code, Opening Position Disclosures should be made by bwin.party and by any "offeror", and all "dealings" in "relevant securities" of bwin.party by bwin.party, by any "offeror" or by any persons "acting in concert" with any of them, should be disclosed in a Dealing Disclosure by no later than 12:00 p.m. (London time) on the "business day" following the date of the relevant transaction.

"Interests in securities" arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of "securities". In particular, a person will be treated as having an "interest" by virtue of the ownership or control of "securities", or by virtue of any option in respect of, or derivative referenced to, "securities".

Terms in quotation marks are defined in the City Code, which can be found on the Panel's website. If you are in any doubt as to whether not you should disclose a "dealing" by reference to the above, you should contact an independent financial adviser authorised by the FCA under the FSMA.

Electronic Communications

Please be aware that addresses, electronic addresses and certain information provided by bwin.party Shareholders, persons with information rights and other relevant persons for the receipt of communications from bwin.party may be provided to GVC during the Offer Period as requested under Section 4 of Appendix 4 of the City Code to comply with Rule 2.12(c) of the City Code.

RECOMMENDED OFFER

for

bwin.party digital entertainment plc (“bwin.party”)

by

GVC Holdings plc (“GVC”)

**to be effected by means of a Scheme of Arrangement under
Part VIII of the Gibraltar Companies Act**

1 Introduction

The boards of GVC and bwin.party are pleased to announce that they have reached agreement on the terms of a recommended offer pursuant to which GVC will acquire the entire issued and to be issued ordinary share capital of bwin.party. The Offer is intended to be effected by means of a scheme of arrangement of bwin.party under Part VIII of the Gibraltar Companies Act.

2 The Offer

Under the terms of the Offer, which will be subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Scheme Document, Forms of Proxy and Form of Election, bwin.party Shareholders will be entitled to receive:

For each bwin.party Share: 25 pence in cash and 0.231 New GVC Shares

The Offer represents a value of approximately 129.64 pence per bwin.party Share based on the closing price per GVC Share at the close of business on 3 September 2015 (being the latest practicable date prior to publication of this announcement). On this basis, the Offer values the entire issued and to be issued ordinary share capital of bwin.party on a fully diluted basis at approximately £1.116 billion.

Based on the offer value of 129.64 pence per bwin.party Share, the Offer represents a premium of approximately:

- 12.5 per cent. to the closing price per bwin.party Share of 115.20 pence on 3 September 2015 (being the last business day before the date of this announcement);
- 45.0 per cent. to the closing price per bwin.party Share of 89.40 pence on 14 May 2015 (being the last business day before the date of the announcement by bwin.party on 15 May 2015 that it had received proposals (including from GVC) regarding a variety of possible business combinations);
- 54.6 per cent. to the volume weighted average closing price per bwin.party Share of 83.87 pence in the three months prior to the announcement by bwin.party on 15 May 2015 referred to above;
- 23.6 per cent. to the implied value of the previously announced offer for bwin.party made by 888 on 17 July 2015, based on the closing price per 888 share of 162.00 pence on 3 September 2015 (being the last business day before the date of this announcement); and
- 12.9 per cent. to the implied value of 888's revised proposal to its offer for bwin.party (details of which are set out in paragraph 8 below of this announcement) based on the closing price per 888 share of 162.00 pence on 3 September 2015 (being the last business day before the date of this announcement).

GVC Shares are currently admitted to trading on AIM. Application will be made to the UKLA for the GVC Shares, together with the New GVC Shares to be issued pursuant to the Offer and the Fundraising, to be admitted to the Standard Segment of the Official List and to trading on the Main Market of the London Stock Exchange on Completion. Completion is conditional on, among other things, (i) admission of the GVC Shares and the New GVC Shares to the Standard Segment of the Official List and to trading on the Main Market of the London Stock Exchange or (ii) in the alternative, admission to trading on AIM.

The New GVC Shares to be issued under the Offer will be issued in registered form and will be capable of being held in both certificated and uncertificated form.

The Offer will include a Mix and Match Facility so that bwin.party Shareholders will be able to elect to vary the proportions of cash and New GVC Shares they receive, subject to the elections made by other bwin.party Shareholders. The Mix and Match Facility will not change the total number of New GVC Shares to be issued by GVC or the total cash consideration to be paid pursuant to the Offer.

The Offer is also subject to the Conditions and further terms set out in Appendix I to this announcement including the sanction of the Scheme by the Court, the satisfaction of certain antitrust and regulatory conditions, approval of the GVC Shareholder Resolutions by GVC Shareholders at the GVC General Meeting and Admission to Trading. Upon the Scheme becoming effective, it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the bwin.party General Meeting and, if they attended and voted, whether or not they voted in favour.

If the Offer becomes effective, it will result in the allotment and issue of up to approximately 195,288,073 New GVC Shares to bwin.party Shareholders, which would result in former bwin.party Shareholders holding approximately 66.6 per cent. of the Enlarged Group.

Details of how bwin.party Shareholders resident in the UK and Gibraltar can hold, access and trade the New GVC Shares will be set out in the Scheme Document. bwin.party Shareholders resident in the UK and Gibraltar will be able to hold their shares in any of the ways currently available to GVC Shareholders, including through an intermediary of their own choice should they wish to do so.

The Scheme Document, containing further information about the Offer and notices convening the Court Meeting and the bwin.party General Meeting, together with the relevant Forms of Proxy and Form of Election, will be sent to bwin.party Shareholders in due course and will be made available by GVC on its website at www.gvc-plc.com/html/investor/welcome.asp and by bwin.party on its website at www.bwinparty.com. It is expected that the GVC Prospectus, containing information about the GVC Shares (including the New GVC Shares) and the Enlarged Group, and a notice convening the GVC General Meeting, will be published at the same time as the Scheme Document is posted to bwin.party Shareholders. Subject to the satisfaction or (where applicable) waiver of the conditions and certain further terms set out in Appendix I to this announcement and to be set out in the Scheme Document, it is expected that the Scheme will become effective in late Q4 2015 or in Q1 2016.

3 Background to and reasons for the Offer

The GVC Directors believe the Offer represents a compelling opportunity for shareholders of both GVC and bwin.party to benefit from the significant value opportunity arising from the proposed acquisition of bwin.party and its consequent restructuring and refocusing and the associated restructuring of GVC.

GVC's successful principal activity is the operation of its sportsbooks and CasinoClub. GVC's successful sportsbook attracts customers with a compelling sportsbetting product, then cross-sells a full range of casino and poker products, in order to generate sufficient additional revenue to deliver growth and greater profitability. Principally through its Sportingbet and CasinoClub businesses, GVC has extensive experience with both sportsbetting and casino, with over 40 per cent. of the net gaming revenue on GVC's sportsbooks being derived from casino and poker activity.

The GVC Directors believe that its experienced sportsbook management team is critical to achieving the best results from a combination with bwin.party because the bwin labels sportsbook business generated approximately 60 per cent. of bwin.party's 2014 net gaming revenue and more EBITDA than any other business unit. Key senior executives at both GVC and bwin.party have a high level of personal expertise with sportsbetting, creating a good cultural fit between the two management teams. Further, GVC's senior management team has a proven track record in successfully integrating and restructuring online gaming business, as has been demonstrated by the acquisition and successful turnaround of Sportingbet.

GVC's track record

The GVC Directors believe that GVC has a strong record of growing its sportsbook and casino businesses through both acquisition and organic growth. In the three financial years ended 31 December 2014, Net Gaming Revenue grew from €60.3 million to €224.8 million. Over the same period, Clean EBITDA grew from €15.5 million to €49.2 million. In addition, since 1 August 2012, GVC has delivered a total shareholder return exceeding 270 per cent. The GVC Directors believe that a primary driver of this growth was the successful acquisition, integration and restructuring of Sportingbet, which was purchased by GVC, together with William Hill, in March 2013.

The GVC Directors believe that the acquisition of Sportingbet clearly demonstrates their ability to successfully acquire, integrate and turnaround a sportsbook business. The Sportingbet operations acquired by GVC made a loss before tax of €29.3 million in the financial year ended 31 July 2012. In the nearest comparable annual period, being the year ended 31 December 2012, GVC's sportsbook operations generated EBITDA of €5.9 million and GVC's Group EBITDA in the same period was €15.5 million. Therefore, an arithmetic combination of GVC and Sportingbet for the nearest comparable annual periods prior to Sportingbet's acquisition by GVC would have resulted in an annual EBITDA loss of approximately €(13.8) million. This compares to the GVC Group EBITDA of €49.2 million for the year ended 31 December 2014, the first full year following completion of the Sportingbet acquisition, achieved through €59.7 million of cost reductions and organic growth initiatives.

Both GVC and bwin.party run proprietary sportsbooks. Each of these has requirements for teams of traders, IT developers, customer service agents, operational staff and sales and marketing resources. Similarly both GVC and bwin.party run stand-alone casinos, which require customer service agents, operational staff, and sales and marketing resources, plus (in the case of bwin.party's PartyCasino) IT developers. Additionally, each of the two listed groups has its own corporate resources.

Based on their experience on the Sportingbet acquisition and their knowledge of the bwin.party business, the GVC Directors believe that by executing its strategy for the Enlarged Group, the proposed acquisition of bwin.party will lead to substantial synergies and cost reductions for the Enlarged Group. The synergies and cost reductions presented are calculated with respect to the 12 months ending 31 December 2014, the most recent period for which GVC and bwin.party have reported audited financial information. The estimated synergies and cost reductions include both (i) the estimated synergies created from the combination of GVC and bwin.party (which represents approximately four-fifths of the total number) and (ii) the cost reductions which could be achieved from bwin.party's ongoing cost savings initiatives or otherwise on a standalone basis. As detailed below in "Synergies and Cost Savings Potential", these synergies and cost reductions are expected to be at least €125 million per annum by the end of 2017. Whilst this figure is slightly lower than GVC's previous estimate, it now reflects, amongst other things, foreign exchange movements and, following detailed review by GVC's management, with input from bwin.party's management, GVC is confident that at least €125 million per annum of cost savings can be achieved by the end of 2017.

The GVC Directors estimate that the implementation of the measures required to generate these estimated synergies and cost reductions would give rise to one-off costs of approximately €60 million, over 95 per cent. of which would be incurred by the end of 2016. This would allow GVC to resume the payment of dividends in 2017 following a pause in the dividend through 2016, when most of the costs of achieving the expected benefits will be incurred.

Based on the above, the GVC Directors believe that the proposed acquisition of bwin.party represents an extremely attractive opportunity for both GVC Shareholders and bwin.party Shareholders, given the structure of the Offer, with approximately 80 per cent. of the consideration coming in the form of New GVC Shares.

Restructuring of GVC and bwin.party

GVC intends to integrate its own and bwin.party's operations; thereafter GVC will simplify and focus the combined business to improve profitability. The restructuring steps will include:

- as soon as practicable following Completion, GVC will migrate the GVC sportsbook onto the bwin.party platform; and
- in the 18 months after Completion, GVC will take actions as described below to improve profitability in the sportsbook, casino and poker businesses.

In more detail, GVC intends that after the Effective Date, the restructuring will include the following actions:

Integration of the GVC sportsbook onto the bwin.party platform and actions to improve profitability

As soon as reasonably practicable after Completion, GVC will begin to migrate its sportsbook onto the bwin.party platform. GVC's then existing sportsbook platform will cease operations, generating substantial cost savings in the form of lower technology costs, reduced staff costs and other associated efficiencies from closure of GVC's platform.

GVC believes that there are opportunities to substantially improve the financial performance of the bwin.party sportsbook by restructuring and refocusing the business. GVC successfully delivered similar improvements following the acquisition of Sportingbet. The GVC Directors expect that improvements will be driven by:

- greater use of Customer Relationship Management systems to realise value from the large historical investment in the bwin and Sportingbet brands (in particular by cross-selling each of bwin and Sportingbet against the customer list of the other brand);
- building a best in class trading and risk team from the combined bwin.party and GVC teams with an associated increase in gross trading margin;
- investment in technology, systems and product development at the level required to meet customer needs;

- the addition of more third party casino content to the bwin.party sportsbook platform (to increase cross-sell of casino games to sportsbetting customers);
- focused investment in those development projects and marketing programmes which have measurable return on investment (including reassessment of development projects against expected return on investment, termination of all sponsorship programmes and review of other marketing programmes);
- more efficient operation of the customer services, IT and marketing functions (as GVC achieved after the Sportingbet acquisition);
- the introduction of an enhanced entrepreneurial culture to bwin.party's operations, one that has enabled GVC to exploit market opportunities quickly with clear lines of authority for rapid decision-making; and
- managers' incentives being aligned to the Enlarged Group's profits/cash conversion ratio.

The anticipated cost savings and synergies are set out below in "Synergies and Cost Savings potential".

The GVC Directors will consider expanding into certain markets in parts of Asia and Africa, where the bwin.party brand is well-known due to bwin.party's association with a number of internationally recognised football brands.

Improvement of the Casino, Poker and Bingo businesses

GVC believes that there are opportunities to improve the financial performance of bwin.party's casino and poker operations by restructuring and refocusing those business activities. GVC has not yet quantified the anticipated cost savings but the GVC Directors believe that the savings will be significant.

GVC believes there are opportunities to significantly reduce costs at bwin.party's casino operation by applying the same business principles that GVC intends to apply to bwin.party's sportsbook.

The majority of bwin.party's bingo activities operate on a third-party platform and so require little or no investment in terms of product development. That said, the Enlarged Group intends to ensure that its bingo product continues to evolve and remain competitive.

GVC understands that poker is bwin.party's least profitable (by contribution) gaming business and has declined in terms of net gaming revenue and contribution in recent years. GVC intends to continue the steps already taken by bwin.party to stabilise and improve its poker performance. In addition GVC intends to pool bwin.party's poker player liquidity with its own poker liquidity by integrating GVC's poker operations onto bwin.party's poker platform.

Integration of other operations

GVC believes that there may be opportunities to integrate the other operations of GVC and bwin.party (including accounting, finance, legal, IT, human resources and external communications). Although final plans will be subject to prior engagement with appropriate employee representative bodies and other stakeholders, this may lead to redundancies where the businesses have overlapping functions or where operational efficiencies are identified.

Synergies and Cost Savings potential

Having discussed its plans with the management of bwin.party, GVC is confident that the Enlarged Group has the opportunity to generate attractive synergies and cost reductions and to create substantial additional shareholder value. GVC has identified gross, pre-tax cost-savings from integrating and restructuring certain aspects of the GVC and bwin.party sportsbooks, and from integration of other operations that are expected to be at least €125 million per annum once the restructuring is completed. Note this is before any negative synergies that may arise due to the proposed restructuring (any such increase in customer attrition, for example). The GVC Directors also anticipate realising additional cost savings from operational improvements in bwin.party's core operations.

The GVC Directors, having reviewed and analysed the potential cost savings and synergies as measured against the financial results of GVC and bwin.party for the 12 months ended 31 December 2014, believe these would include:

- staff, outsourcing and other people-related costs, efficiencies to be derived from removing duplication and by operating a more streamlined and significantly larger combined sportsbook;
- sponsorship and marketing costs efficiencies by eliminating marketing which has low return on investment, focusing on territories which have the greatest revenue and growth potential, and acquiring and maintaining customers with focus on VIPs;
- IT and development efficiencies by (i) migrating GVC's sportsbook onto the bwin.party platform; (ii) reducing the number of development projects; (iii) focusing on platform stability; and (iv) reducing further the amount of time that the Enlarged Group's technology systems were not available to customers; and
- back office and facility-related savings by integrating GVC and bwin.party systems and teams, re-organising finance functions by process rather than business units, rationalising finance into fewer, low-cost locations and by implementing changes in board incentives.

The cost savings referred to above are expected to be recurring whereas the expected implementation costs referred to below will be one-off costs. GVC expects the full cost savings run rate to be achieved 18 months after Completion, with 58 per cent. of that total (on a run rate basis) to be achieved by the end of 2016.

GVC estimates that the delivery of at least €125 million of operating cost savings and synergies described above would give rise to one-off costs of approximately €60 million which are expected to be incurred in the first 18 months post-Completion.

Cash flow and dividend intentions

GVC believes that one important measure of performance is the ratio of net cash generated to EBITDA. In the year ended 31 December 2014, GVC generated €42.6 million in cash from Clean EBITDA of €49.2 million, after taking into account both working capital movements and the acquisition of tangible and intangible fixed assets, which is an 87 per cent. conversion ratio. GVC will seek to achieve a conversion ratio for the Enlarged Group of at least 80 per cent. post Completion and post-restructuring.

By applying its cash management capabilities to the integrated sportsbook activities, GVC believes that, by the beginning of 2017, the restructuring would drive substantial improvement in the Enlarged Group's cash flow from operations and free cash flow, facilitating the prompt repayment of the Cerberus Loan and the resumption of payment of dividends at a level which is comparable with GVC's quoted peer group of online gaming companies. The GVC Directors anticipate adopting a policy of paying a progressive dividend.

4 Mix and Match Facility

Under the terms of the Mix and Match Facility set out in the Offer, Scheme Shareholders (other than any Restricted Overseas Shareholders) may elect to vary the proportions of New GVC Shares and cash consideration that they receive in respect of their holdings of bwin.party Shares, subject to the offsetting elections made by other bwin.party Shareholders.

The total number of New GVC Shares to be issued under the Offer will not be increased as a result of elections under the Mix and Match Facility. Accordingly, elections made by eligible Scheme Shareholders under the Mix and Match Facility for New GVC Shares will only be satisfied to the extent that other eligible Scheme Shareholders make equal and opposite elections under the Mix and Match Facility.

To the extent that elections cannot be satisfied in full, they will be scaled down on a *pro rata* basis. As a result, bwin.party Shareholders who make an election under the Mix and Match Facility will not know the exact number of New GVC Shares or amount of cash they will receive until settlement of the consideration under the Offer. Elections under the Mix and Match Facility will not affect the entitlements of those bwin.party Shareholders who do not make any such elections.

The Mix and Match Facility is conditional upon the Scheme becoming effective and further details of the Mix and Match Facility will be included in the Scheme Document.

Restricted Overseas Shareholders will not be entitled to participate in the Mix and Match Facility and, if the Scheme becomes effective, will receive for each Scheme Share held by

them the basic consideration of 25 pence in cash and a further sum of cash based upon the proceeds of the sale in the market of 0.231 New GVC Shares for each bwin.party share held.

7 Recommendation by the bwin.party Directors

The bwin.party Directors, who have been so advised by Deutsche Bank, consider the terms of the Offer from GVC to be fair and reasonable. In providing advice to the bwin.party Directors, Deutsche Bank has taken into account the commercial assessments of the bwin.party Directors.

Accordingly, the bwin.party Directors intend unanimously to recommend that bwin.party Shareholders vote in favour of the Scheme at the Court Meeting and the bwin.party Shareholder Resolution at the bwin.party General Meeting, as the bwin.party Directors have

irrevocably undertaken to do in respect of their own beneficial holdings of 14,388,127 bwin.party Shares representing, in aggregate, approximately 1.7 per cent. of the ordinary share capital of bwin.party in issue on 3 September 2015 (being the latest practicable date prior to the publication of this announcement).

8 Background to and reasons for the recommendation by bwin.party

The online gaming industry began to emerge in the 1990s and since then has grown strongly with online gaming viewed in many countries today as a mainstream form of entertainment for adults. As noted above, it is estimated that the global online gaming segment generated gross gaming revenue in 2014 of approximately €32.5 billion, representing 8.8 per cent. of the global gaming market and has already become a large and vibrant segment and this is expected to continue with further growth over the coming years¹.

Increasing accessibility and an improving experience for customers are expected to result in further growth over the coming years with global gross gaming revenue through digital channels expected to reach approximately €46.8 billion by 2018, implying a compound annual growth rate of 9.6 per cent¹.

Revenue growth has been driven by more prevalent and faster broadband connectivity as well as the development of real money gaming products for mobile channels. Significant investment in marketing and product development by online gaming companies have also played a significant part in growing the market with the result that adults in most countries are today able to access online gaming of one form or another through digital channels.

Whilst these trends provide a generally favourable commercial backdrop, operators' ability to meet the ever-increasing demands of consumers has been challenged by a rapidly changing environment.

There has been a significant shift towards regulatory frameworks with several governments around the world increasing their oversight and control of this activity. Whilst this can provide greater clarity about the legality of the activity, the emergence of different, sometimes 'ring-fenced' regulatory frameworks around the world has increased the complexity and cost of regulatory compliance whilst limiting the scale of the potential revenue opportunity². As a result, several regulated markets today are unattractive from a return on investment point of view.

At the same time, operators' ability to meet the ever-increasing demands of consumers have become more challenging. In order to secure and maintain relevant market share, it is increasingly the case that operators need recognisable brands and to be able to offer a broad suite of products and across all channels, placing even greater demands on both technological as well as financial resources.

¹ H2 Gambling Capital, September 2015

² 'Ring-fenced' markets - those where consumers are only able to play peer-to-peer games against other players in that market and jackpot prizes can only be created from player activity within that market – are naturally smaller than one that can access a regional or global player pool. As a result, such markets tend to be smaller than they would otherwise be if such restrictions were not in place.

The shift to nationally regulated markets means that operators choosing to go ‘on-shore’ must also pay the associated licensing and certification fees and often significant gaming taxes that tend to be levied on either the amount wagered or gross gaming revenue generated by a particular online gaming activity.

The combination of increasing product and channel complexity and the shift towards increasingly heterogeneous nationally regulated markets has driven a requirement for operators to focus their resources and seek scale in both absolute terms as well as in each product category and geographic market in which they operate.

The bwin.party Directors believe that such requirements provide operators that develop and operate their own technology with a distinct advantage – not only can they remain in control of their own destiny and not be reliant on third parties when deciding which products they wish to offer in which market, but they can also differentiate their product suite from competitors and avoid paying expensive product and technology licensing fees to a third party provider.

bwin.party is a sizeable online gaming business with significant revenues and operating profits, generated from customers in a number of different markets. However, the demands of an increasingly complex product offering across a broadly diverse international revenue base, coupled with the transition to nationally regulated frameworks in many of its markets has stretched bwin.party’s technical and financial resources over the past few years and has also held back bwin.party’s financial performance.

It is against this background that the bwin.party Directors decided that whilst a series of management initiatives including the shift to a label-led organisational structure, an associated increased focus on fewer markets and a rationalisation of core business activities and brands has begun to deliver a much improved operational performance, the company should also explore potential business combinations as a means of optimising value for shareholders.

Having considered the proposals received from interested third parties, as well as bwin.party’s prospects if it were to continue as an independent company, the bwin.party Directors believe the Offer now represents the most attractive combination for bwin.party shareholders.

bwin.party Shareholders will be aware that on 17 July 2015, 888 Acquisitions Limited, a subsidiary of 888 Holdings plc, announced the 888 Offer. Under the terms of the 888 Offer, bwin.party Shareholders would be entitled to receive 39.45 pence in cash and 0.404 new 888 shares for each bwin.party Share held. Based on the closing price of 160.00 per 888 share on 16 July 2015 (being the last practicable date prior to the 888 Offer Announcement), the 888 Offer represented a value of approximately 104.09 pence per bwin.party Share.

In recommending the 888 Offer, the bwin.party Directors had concluded that despite an earlier GVC proposal having many attractive features, including a higher headline value of 110.00 pence per bwin.party Share, the 888 Offer provided a higher degree of certainty for bwin.party Shareholders and that GVC’s modest incremental premium to the 888 Offer was not sufficient for the bwin.party Board to recommend GVC’s proposal over the 888 Offer.

GVC subsequently revised its proposal, including a simplified transaction structure, and the bwin.party Board and its advisers have worked closely with GVC and its advisers with a view to progressing the remaining open aspects of GVC's proposal in order to enable the bwin.party Board to evaluate GVC's proposal.

On 27 August 2015, bwin.party announced that key aspects of GVC's proposal had been addressed to bwin.party's satisfaction and as a result the bwin.party Board sought clarification regarding the best terms upon which GVC would be prepared to make an offer to acquire all of the issued and to be issued share capital of bwin.party. GVC confirmed it would be prepared to offer 25 pence in cash plus 0.231 new GVC shares for each bwin.party Share, implying a headline value of approximately 129.64 pence per bwin.party Share, based on the closing price per GVC share on 3 September 2015, (being the latest practicable date prior to the release of this announcement).

Having assessed the relative merits of 888's offer and GVC's proposal, the Board concluded that the GVC proposal was worthy of recommendation and informed 888 of its intention to switch recommendation to GVC. In response, 888 tabled a proposal to increase its offer (the "**Revised 888 Proposal**"), comprising 39.45 pence in cash and 0.465 new 888 shares, valuing each bwin.party Share at approximately 114.78 pence per bwin.party Share, based on the closing price per 888 share on 3 September 2015, (being the latest practicable date prior to the release of this announcement).

The Revised 888 Proposal was subject to a number of pre-conditions including an increase in the bwin.party break fee to 1% of the value of the Revised 888 Proposal and the receipt of irrevocable undertakings from certain members of the bwin.party shareholder base.

In making its assessment of the relative merits of GVC's Offer and the Revised 888 Proposal, the bwin.party Board has considered a number of factors that it believes could impact long-term value for bwin.party Shareholders. These include, but are not limited to: headline price and the consideration offered; execution risks associated with the implementation of each offer; the timing and scale of financial synergies to be generated; the complexity, regulatory and operational risks associated with implementing the proposed business and integration plans of both parties; the proposed financing structure of each offer; the growth strategy of the resulting enlarged Group; governance and control, listing and free float of the enlarged group. Following an announcement on 1 September 2015 that bwin.party was going to consult with a number of its largest shareholders the bwin.party Board also took account of views received from them on the attractiveness of each combination. The shareholders consulted represented over 50 per cent. of bwin.party's issued share capital.

Although the Revised 888 Proposal has a number of attractive features, the bwin.party Directors believe that the Offer from GVC is more attractive than the Revised 888 Proposal for the reasons set out below. The bwin.party Board has therefore withdrawn its recommendation of the 888 Offer and is unanimously recommending that bwin.party Shareholders accept the Offer from GVC.

As a result of the bwin.party Board's change in recommendation the 888 Co-operation Agreement has terminated in accordance with its terms.

In particular, the Offer from GVC:

- Is an attractive mix of cash and equity in the Enlarged Group that together represents a premium of:
 - 12.5 per cent. to the closing price per bwin.party Share of 115.20 pence on 3 September 2015 (being the last business day before the date of this announcement);
 - 45.0 per cent. to the closing price per bwin.party Share of 89.40 pence on 14 May 2015 (being the last business day before the date of the announcement by bwin.party on 15 May 2015 that it had received proposals (including from GVC) regarding a variety of possible business combinations);
 - 54.6 per cent. to the volume weighted average closing price per bwin.party Share of 83.87 pence in the three months prior to the announcement by bwin.party on 15 May 2015 referred to above;
 - 23.6 per cent. to the implied value of the previously announced offer for bwin.party made by 888 on 17 July 2015, based on the closing price per 888 share of 162.00 pence on 3 September 2015 (being the last business day before the date of this announcement); and
 - 12.9 per cent. to the implied value of 888's revised proposal to its offer for bwin.party (details of which are set out in paragraph 8 below of this announcement) based on the closing price per 888 share of 162.00 pence on 3 September 2015 (being the last business day before the date of this announcement).
- Provides bwin.party shareholders with the opportunity to benefit from a significant share in the Enlarged Group that the bwin.party Board believes:
 - has an experienced management team with a strong track-record of:
 - integrating acquisitions and growing revenues across a range of markets:
and
 - delivering substantial value for shareholders;
 - will benefit from the significant financial synergies, cost savings and other commercial benefits that are expected to arise from the restructuring and refocusing of bwin.party and the associated restructuring of GVC;
- Will provide bwin.party shareholders with the opportunity to benefit from GVC's anticipated return to dividend payments in 2017;
- Provides a relatively more straightforward operational integration. As GVC's existing customer base is significantly smaller than that of bwin.party and is focused on two dotcom labels, such a migration is not expected to be complex and is expected to deliver substantial financial synergies. The bwin.party platform is already proven as a scalable platform and the addition of two new labels is wholly consistent with the Group's strategy to win new B2B customers for its Studios business unit. Further information

regarding expected synergies and cost savings is set out in paragraph 3 of this announcement;

- Provides a diversified portfolio of regulated and unregulated business for the Enlarged Group. GVC plans to continue to drive revenues from existing dotcom markets as well as enter new markets using the bwin brand with a key focus on sports betting. As a brand, bwin remains strong in parts of Asia and Latin America, markets that bwin.party has to-date chosen not to enter due to the absence of a regulated framework for online gaming. The potential returns from such markets could be greater than many of Europe's nationally regulated and/or taxed markets and would help to fund the consolidation of the Enlarged Group's position in regulated markets where regulatory and competitive pressures can be expected to increase, the latter as a result of continued consolidation within the industry; and
- Provide a significant free float for the Enlarged Group with a well distributed shareholder base and application for a standard listing on the main market of the London Stock Exchange to be made for the enlarged GVC's share capital.

Further information regarding expected synergies is set out in paragraph 3 of this announcement.

9 GVC Shareholder approval

The Offer, being a transaction of this size, constitutes a "reverse takeover" (as defined in the AIM Rules) for GVC. Accordingly, GVC will be required to seek the approval of GVC Shareholders at the GVC General Meeting for the Offer. GVC is required to prepare and send the GVC Prospectus to GVC Shareholders. The GVC Prospectus will include, among other things, details on GVC Shares (including the New GVC Shares), the Enlarged Group, the background to and reasons for the Offer and a notice convening the GVC General Meeting. The Scheme will be conditional upon, amongst other things, the passing by the requisite majority at the GVC General Meeting of the GVC Resolutions to approve the Offer and the authorities to increase the authorised share capital of GVC and to issue the New GVC Shares pursuant to the Offer and the Fundraising. These GVC Resolutions will all be ordinary resolutions, save for the resolution to disapply pre-emption rights in relation to the Fundraising, which will be a special resolution.

It is expected that the GVC Prospectus will be published at the same time as the Scheme Document is posted to bwin.party Shareholders.

10 Recommendation by the GVC Directors

The GVC Directors intend unanimously to recommend that GVC Shareholders vote in favour of the GVC Resolutions to be proposed at the GVC General Meeting, as the GVC Directors have irrevocably undertaken to do in respect of their own beneficial holdings of 245,482 GVC Shares representing, in aggregate, approximately 0.4 per cent. of the ordinary share capital of GVC in issue on 3 September 2015 (being the latest practicable date prior to the publication of this announcement).

11 Irrevocable undertakings in relation to the Offer

GVC has received irrevocable undertakings and bwin.party has received a commitment from Androsch Privatstiftung to provide an irrevocable undertaking in support of the Scheme. This represents an aggregate of 89,496,522 bwin.party Shares, representing approximately 10.8 per cent. of the share capital of bwin.party in issue on 3 September 2015 (being the latest practicable date prior to the publication of this announcement).

Within this total are irrevocable undertakings from each of the bwin.party Directors to vote in favour of the Scheme at the Court Meeting and the bwin.party Shareholder Resolution to be proposed at the bwin.party General Meeting as set out in paragraph 7.

Further details of these irrevocable undertakings (including the circumstances in which certain of them may lapse) are set out in Appendix III to this announcement.

12 Irrevocable undertakings in relation to the GVC Resolutions

GVC has received irrevocable undertakings and a letter of intent to vote in favour of the GVC Resolutions to be proposed at the GVC General Meeting in relation to an aggregate of 14,614,038 GVC Shares, representing approximately 23.8 per cent. of the share capital of GVC in issue on 3 September 2015 (being the latest practicable date prior to the publication of this announcement).

Within this total are irrevocable undertakings from each of the GVC Directors to vote in favour of the GVC Resolutions to be proposed at the GVC General Meeting.

Further details of these irrevocable undertakings and the letter of intent are set out in Appendix III to this announcement.

13 Management, employees and locations

It is proposed that Norbert Teufelberger, current CEO of bwin.party, will join the board of the Enlarged Group as a non-executive director ensuring that it has direct access to and can benefit from his intimate knowledge of the activities and operations of the bwin.party business that will represent the majority of the Enlarged Group's operations and activities. The principal terms of Mr Teufelberger's appointment will be set out in the Scheme Document.

GVC believes that the acquisition of bwin.party will result in opportunities for many employees in the Enlarged Group in the future.

However, GVC also recognises that in order to achieve the planned benefits of the Offer, including deriving any available cost synergies, operational restructuring of both GVC and bwin.party is likely to be required. Following the Effective Date, GVC intends to seek to integrate the operations of GVC and bwin.party as far as reasonably practicable. Although integration plans have yet to be finalised, and any final decision will be subject to engagement with appropriate stakeholders, this may lead to redundancies where the businesses have overlapping functions or operational efficiencies have been identified.

The board of GVC has confirmed to the bwin.party Board that the existing employment rights, including pension rights and incentive arrangements, of all management and employees of bwin.party will be fully safeguarded.

14 The Fundraising

GVC confirms that it is proposing to raise approximately £150 million (approximately €206.0 million) by way of a (i) placing of 27,978,812 New GVC Shares (the "**Placing Shares**") to certain new and existing institutional investors at a placing price (the "**Issue Price**") of 422 pence per New GVC Share (the "**GVC Placing**") being the closing bid price per GVC Share on 5 August 2015, the last business day prior to the pricing of the GVC Placing; and (ii) subscription of 7,566,212 New GVC Shares by certain investors at a subscription price of 422 pence per New GVC Share (the "**Subscription**") being the closing bid price per GVC Share on 5 August 2015, the last business day prior to the pricing of the Subscription (together, the "**Fundraising**"). Certain GVC Directors will also participate in the Fundraising, as set out below.

Cenkos, as agent of GVC, has made conditional arrangements to place the Placing Shares at the Issue Price with certain new and existing institutional investors and certain GVC Directors pursuant to the Placing Agreement.

The aggregate net proceeds of the Fundraising will be used by GVC, amongst other things, to fund reorganisation costs within the Enlarged Group and for general working capital purposes. The proceeds from the Fundraising are not required for, nor will they be used to fund, the cash consideration to be paid pursuant to the Offer.

The Fundraising is conditional, among other things, upon:

- all of the GVC Resolutions (save that in respect of proposed option arrangement) being passed by the requisite majorities of GVC Shareholders at the GVC General Meeting;
- the Placing Agreement having become unconditional in all respects and not having been terminated in accordance with its terms; and
- Admission to Trading of the New GVC Shares to be issued under the Fundraising having occurred no later than the Long Stop Date.

The following GVC Directors are participating in the Fundraising:

GVC Director	Number of GVC Shares held as at 3 September 2015	Percentage of voting rights in GVC as at 3 September 2015	Number of New GVC Shares subscribed for under the Fundraising	Percentage of voting rights in the Enlarged Group following Completion
Lee Feldman	135,075	0.22%	516,212	0.22%
Kenneth Alexander *	108,740	0.177%	1,373,455	0.51%
Richard Cooper *	1,667	0.003%	691,323	0.24%

*In addition, Kenneth Alexander's wife, Caroline Alexander, held 313,333 GVC Shares and Richard Cooper's wife, Pascale Mourier Cooper, held 335,000 GVC Shares each as at 3 September 2015. Kenneth Alexander and Richard Cooper are required to disclose the number of GVC Shares held by their spouses.

The participation by the above Directors in the Fundraising constitutes a related party transaction under Rule 13 of the AIM Rules for Companies. Karl Diacono, the sole independent Director considers that, having consulted with Cenkos as GVC's nominated adviser, the terms of the above Directors' participation in the Fundraising are fair and reasonable so far as Shareholders are concerned.

Richard Griffiths (together with his controlled undertakings) is currently the beneficial and registered owner of, or otherwise interested in, 11.15 per cent. of GVC's existing ordinary share capital and is therefore treated as a related party of GVC under Rule 13 of the AIM Rules for Companies as a substantial shareholder. Richard Griffiths' participation in the Placing is therefore treated as a related party transaction for the purposes of the AIM Rules for Companies. The Directors of GVC consider, having consulted with Cenkos as GVC's nominated adviser, that the terms of Richard Griffiths' participation in the Fundraising are fair and reasonable so far as Shareholders are concerned.

GVC Shares are currently admitted to trading on AIM. Application will be made to the UKLA for the GVC Shares, together with the New GVC Shares to be issued pursuant to the Offer and the Fundraising, to be admitted to the Standard Segment of the Official List and to trading on the Main Market of the London Stock Exchange subject to, among other things, Completion. Completion is conditional on, among other things (i) admission of the GVC Shares and the New GVC Shares to the Standard Segment of the Official List and to trading on the Main Market of the London Stock Exchange or (ii) in the alternative, admission to trading on AIM.

Once GVC Shares together with the New GVC Shares are admitted to the Standard Segment of the Official List and to trading on the Main Market of the London Stock Exchange, GVC intends to make an application to the UKLA to transfer the GVC Shares and the New GVC Shares from the Standard Segment of the Official List to the Premium Segment of the Official List as soon as practicable following publication of the GVC Report and Accounts for the year ending 31 December 2015.

The New GVC Shares issued under the Fundraising will be issued credited as fully paid and will rank *pari passu* in all respects with the existing GVC Shares, save that they will not rank with existing GVC Shares for any dividends of GVC declared, made or paid on or prior to Completion.

Further details of the Fundraising will be set out in the Prospectus, which will be published at the same time as the Scheme Document is posted to bwin.party Shareholders.

15 Dividends of GVC

On 6 July 2015 the GVC Board declared an interim dividend of €0.14 per share, payable on 17 August 2015 to GVC Shareholders on the register on 24 July 2015.

The GVC Board also intends to declare a further interim dividend of €0.14 per share, which will be payable, subject to Completion occurring, to those GVC Shareholders on the register at a date to be confirmed by GVC but which will be prior to Completion.

The New GVC Shares to be issued under the Offer and the Fundraising will be credited as fully paid and will rank *pari passu* in all respects with the existing GVC Shares, save that they will not rank with existing GVC Shares for any dividends of GVC declared, made or paid on or prior to 31 December 2015.

16 bwin.party Share Plans

Participants in the bwin.party Share Plans will be contacted separately regarding the effect of the Offer on their rights under the bwin.party Share Plans and with the details of GVC's appropriate proposals in respect of their options and awards. Further details of the terms of such proposals will be included in the Scheme Document.

17 Directors' existing incentive arrangements, participation in the Fundraising and GVC Share Plans

It is proposed that, as part of the remuneration arrangements for the Enlarged Group going forward and to reflect the confidence of the GVC Board in the Enlarged Group and align their interests fully with investors: (i) the existing contractual bonus arrangements for the members of the GVC Board are cancelled for 2016 onwards; (ii) the existing awards held by the members of the GVC Board granted under the GVC 2010 Long Term Incentive Plan ("**2010 LTIP**") will be cash cancelled on Completion; (iii) the existing bonus retention plan, announced in March 2015, will be accelerated and paid on Completion; and (iv) transaction bonuses will be paid to the GVC Board on Completion (together the "**Proceeds**").

As noted in paragraph 14 above, three Directors, namely Lee Feldman, Kenneth Alexander and Richard Cooper will re-invest 100 per cent. of the after-tax value of the Proceeds received by them (which is estimated to amount to approximately £10.89 million) in subscribing for New GVC Shares as part of the Fundraising. The New GVC Shares so acquired by the members of the GVC Board will be subject to 12 month lock-up arrangements. Full details of the Proceeds and their re-investment in the Fundraising will be set out in the GVC Prospectus.

In addition, a new employee share scheme will be established for the benefit of directors and employees of the Enlarged Group ("**New Plan**"). Awards granted under the New Plan will be market value options, whose exercise will be subject to the achievement of a total shareholder return related performance condition. Full details of the New Plan will be set out in the GVC Prospectus and will include a dilution limit of 10 per cent. of the issued share capital of GVC on Completion. An ordinary resolution will be put to the GVC Shareholders at the GVC General Meeting to approve the adoption of the New Plan.

18 Structure of the Offer and Conditions to the Offer

It is intended that the Offer will be implemented by means of a Court-sanctioned scheme of arrangement between bwin.party and the Scheme Shareholders under Part VIII of the Gibraltar Companies Act.

The purpose of the Scheme is to provide for GVC to become the holder of the entire issued and to be issued ordinary share capital of bwin.party. This is to be achieved by the transfer of the Scheme Shares to GVC in consideration for which the Scheme Shareholders on the register of members at the Scheme Record Time will receive the consideration on the basis set out in paragraph 2 of this announcement.

The Offer is also subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Scheme Document, the Forms of Proxy and the Form of Election, and will only become effective if, among other things, the following events occur on or before the Long Stop Date:

- a resolution to approve the Scheme is passed at the Court Meeting by a majority in number of the bwin.party Shareholders present and voting, either in person or by proxy, representing three-quarters or more in value of the bwin.party Shares held by those bwin.party Shareholders;
- the bwin.party Shareholder Resolution necessary to implement the Scheme is passed by the requisite majority of bwin.party Shareholders at the bwin.party General Meeting;
- the Scheme is sanctioned by the Court;
- an office copy of the Scheme Court Order is delivered to the Registrar of Companies within seven days after it is made;
- approvals of the Offer from, amongst others, the FCA (in respect of the change of control of Kalixa), the Gibraltar Financial Services Commission (in respect of the change of control of Intertrader), the Licensing Authority of Gibraltar (Gaming Division) in respect of the change of control of bwin.party's Gibraltar business, the Malta Gaming Authority in respect of the change of control of bwin.party's Malta Gaming Authority licensed entity, the French Ministry of Economy in respect of the change of control of bwin.party's French business and the German Federal Cartel Office are obtained;
- each of the GVC Shareholder Resolutions is passed by the requisite majority of GVC Shareholders at the GVC General Meeting; and
- the GVC Shares (including the New GVC Shares to be issued pursuant to the Offer and the Fundraising) are Admitted to Trading.

Upon the Scheme becoming effective (i) it will be binding on all bwin.party Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the bwin.party General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of bwin.party Shares will cease to be valid and entitlements to depositary interests in respect of bwin.party Shares within the CREST system will be cancelled.

If the Scheme does not become effective on or before the Long Stop Date it will lapse and the Offer and the Fundraising will not proceed.

To the extent that any bwin.party Permitted Dividend is declared by the bwin.party Board, the bwin.party Shareholders as at the record date for that bwin.party Permitted Dividend will be entitled to receive and retain that bwin.party Permitted Dividend.

Further details of the Scheme, including an indicative timetable for its implementation, together with notices of the Court Meeting and the bwin.party General Meeting, will be set out in the Scheme Document, which will be published as soon as reasonably practicable after the date of this announcement. Subject to satisfaction or waiver of the Conditions, the Scheme is expected to become effective in late Q4 2015 or in Q1 2016.

19 Overseas Shareholders

Overseas Shareholders

Overseas Shareholders may be affected by the laws of other jurisdictions in relation to the Offer or the Scheme. Overseas Shareholders should inform themselves about and observe all applicable legal requirements.

The availability of New GVC Shares under the Offer and the Fundraising to persons who are not resident in, and the distribution of this announcement to persons who are not resident in, the United Kingdom or Gibraltar may be affected by the laws of the relevant jurisdiction in which they are located. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction. bwin.party Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the jurisdiction without delay.

This announcement has been prepared for the purposes of complying with English and Gibraltar law, the Listing Rules and the AIM Rules and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of jurisdictions outside the United Kingdom.

US Shareholders

The New GVC Shares have not been, and will not be, registered under the US Securities Act, or under the securities laws of any state or other jurisdiction of the United States. Accordingly, the New GVC Shares may not be offered, sold, resold, delivered, distributed or otherwise transferred directly or indirectly, in or into the United States absent registration under the US Securities Act or an exemption therefrom. The New GVC Shares are expected to be issued pursuant to the Scheme in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof.

Under the US federal securities laws, persons who are or will be deemed to be affiliates (as defined under the US Securities Act) of GVC after the Effective Date may not resell the New GVC Shares received under the Scheme without registration under the US Securities Act, except pursuant to an applicable exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act. Whether a person is an affiliate of a company for such purposes depends upon the circumstances, but affiliates of a company can

include certain officers and directors and significant shareholders. bwin.party Shareholders who believe they may be affiliates of GVC after the Effective Date for the purposes of the US Securities Act should consult their own legal advisers prior to any resale of New GVC Shares received under the Scheme.

For the purposes of qualifying for the exemption from the registration requirements of the US Securities Act afforded by Section 3(a)(10), bwin.party will advise the Court through counsel that its sanctioning of the Scheme will be relied upon by bwin.party and GVC as an approval of the Scheme following a hearing on its fairness, at which hearing all bwin.party Shareholders are entitled to attend in person or through counsel to support or oppose the sanctioning of the Scheme and with respect to which notification has been given to all bwin.party Shareholders.

20 Application for standard listing of GVC Shares, de-listing of bwin.party and intention to transfer to a premium listing of GVC Shares

The New GVC Shares are not being offered to the public by means of this announcement. This announcement is an advertisement and does not constitute a prospectus or prospectus equivalent document or an offer or an invitation to purchase or subscribe for any securities.

GVC Shares are currently admitted to trading on AIM. Application will be made to the UKLA for the GVC Shares together with the New GVC Shares to be issued pursuant to the Offer and the Fundraising, to be admitted to the Standard Segment of the Official List and to trading on the Main Market of the London Stock Exchange subject to, among other things, Completion. Completion is conditional on, among other things (i) admission of the GVC Shares and the New GVC Shares to the Standard Segment of the Official List and to trading on the Main Market of the London Stock Exchange or (ii) in the alternative, admission to trading on AIM. It is expected that such Admission to Trading will become effective on or shortly after the Effective Date.

Details of how UK shareholders can hold, access and trade GVC Shares will be set out in the Scheme Document. Shareholders resident in the UK will be able to hold their GVC Shares through any of the ways currently available to GVC Shareholders, including through an intermediary of their own choice should they wish to do so.

bwin.party intends, prior to the Scheme becoming effective, to make an application for the cancellation of the listing of bwin.party Shares on the UKLA Official List and for the cancellation of trading of the bwin.party Shares on the Main Market of the London Stock Exchange, in each case to take effect from or shortly after the Effective Date. The last day of dealings in bwin.party Shares on the Main Market of the London Stock Exchange is expected to be the Business Day immediately prior to the Effective Date and no transfers will be registered after 6.00 p.m. (London time) on that date. On the Effective Date, share certificates in respect of bwin.party Shares will cease to be valid and entitlements to depositary interests in respect of bwin.party Shares held within the CREST system will be cancelled.

Once GVC Shares together with the New GVC Shares are admitted to the Standard Segment of the Official List and to trading on the Main Market of the London Stock Exchange, GVC

intends to make an application to the UKLA to transfer the GVC Shares and the New GVC Shares from the Standard Segment of the Official List to the Premium Segment of the Official List as soon as practicable following publication of the GVC Report and Accounts for the year ending 31 December 2015.

21 Financing

The cash consideration payable under the Offer will be funded by €400 million (£291.33 million) of senior secured debt provided by Cerberus (the “**Cerberus Loan**”).

The Cerberus Loan is a two-year secured financing facility with no scheduled amortisation (but including a cash sweep equal to 50 per cent. of the excess cash flow generated in any financial year), repayable, amongst other events, upon a change of control, an equity or debt raise and upon disposal of assets, subject to certain exceptions.

The Cerberus Loan bears interest at EURIBOR + a margin 11.5 per cent., with a EURIBOR floor of 1 per cent.; up to half the margin may be capitalised. The financial covenant package under the Cerberus Loan comprises leverage, cashflow cover and minimum liquidity covenants.

GVC will issue up to approximately 195,288,073 New GVC Shares to bwin.party shareholders as part of the consideration pursuant to the Offer. These shares are expected to represent approximately 66.6 per cent. of the enlarged share capital of GVC on Admission to Trading. The Offer will be conditional upon, amongst other things, approval of the GVC Resolutions by the GVC Shareholders and Admission to Trading.

Houlihan Lokey is satisfied that sufficient resources are available to GVC to satisfy in full the cash consideration payable to bwin.party Shareholders under the terms of the Offer.

Offer-related arrangements

Confidentiality Agreement

GVC and bwin.party entered into a confidentiality agreement on 30 January 2015 pursuant to which GVC and bwin.party have undertaken to each other to keep information relating to the other confidential and not to disclose it to third parties (other than to permitted recipients) unless required by law or regulation.

GVC Co-operation Agreement

GVC and bwin.party have entered into the GVC Co-operation Agreement in relation to the Offer and other related matters. The GVC Co-operation Agreement contains certain undertakings, assurances and confirmations among the parties, including with respect to the co-operation of the parties relating to the implementation of the Offer.

As bwin.party is incorporated and has its registered office in Gibraltar, the City Code does not apply to GVC or bwin.party in relation to the Offer. However, in accordance with the requirements of bwin.party’s articles of association and, pursuant to the terms of the GVC Co-operation Agreement, GVC and bwin.party have agreed to implement the Offer, and to

observe and comply with the provisions of the City Code (including the provisions of Appendix 7 of the City Code), as if bwin.party were subject to the City Code.

Pursuant to the GVC Co-operation Agreement, GVC and bwin.party have agreed to appoint a committee comprised of three representatives appointed by each of GVC and bwin.party, which will be responsible for determining how the City Code would be interpreted and applied in relation to the approval of matters under Rule 21.1 of the City Code and the satisfaction, waiver or invoking of any of the Conditions (each a “**Code Committee Matter**”), in each case other than where such matter or consent is expressly provided for in the GVC Co-operation Agreement or in any other written agreement between GVC and bwin.party entered into on or after the date of the GVC Co-operation Agreement.

The GVC Co-operation Agreement also provides for referral of any matter relating to the interpretation and application of any Code Committee Matter to an independent expert, whose rulings (absent fraud or manifest error) are final and binding on the parties.

Pursuant to the GVC Co-operation Agreement, GVC and bwin.party agrees to co-operate and assist each other in obtaining the Clearances required to satisfy the Conditions.

The GVC Co-operation Agreement sets out the parties’ agreement as to the treatment, in relation to the Offer, of participants in the bwin.party Share Plans.

The GVC Co-operation Agreement terminates automatically (save in respect of certain surviving provisions):

- upon agreement in writing between GVC and bwin.party;
- if this Announcement is not released as soon as reasonably practicable on or after the date of the GVC Co-operation Agreement, or by such later time and date as the parties thereto may agree;
- if the Scheme (or the Takeover Offer as the case may be) lapses (or is withdrawn) in accordance with its terms prior to the Long Stop Date (other than where such lapse or withdrawal is a result of the exercise of a right to switch from the Scheme to a Takeover Offer or is otherwise to be followed soon after by an announcement of a firm intention to make an offer pursuant to Rule 2.7 of the City Code (as if the City Code applied to bwin.party) made by GVC or a person acting in concert with GVC to implement the Offer by a different offer or scheme on substantially the same or improved terms);
- upon the bwin.party Directors withdrawing or adversely modifying or qualifying their recommendation and thereafter GVC gives written notice to bwin.party to terminate the GVC Co-operation Agreement or bwin.party gives written notice to GVC to terminate the GVC Co-operation Agreement;
- upon service of written notice by:
 - GVC to bwin.party, following a GVC Break Payment Event (see below); or
 - bwin.party to GVC, following a bwin.party Break Payment Event (see below);or

- if an independent competing transaction is declared unconditional in all respects or is completed.

GVC Break Payment

By way of compensation for any losses or costs suffered or incurred by bwin.party in connection with the preparation and negotiation of the Offer, the GVC Co-operation Agreement and any other agreement relating to the Offer (other than any loss arising out of a breach of the GVC Co-operation Agreement or the breach of any other obligations in connection with the Offer), GVC has agreed to pay a break payment to bwin.party, subject to certain exceptions, in the event that, following publication of this Announcement:

- (i) the GVC Board withdraws, adversely modifies or qualifies its recommendation that the GVC Shareholders vote in favour of the resolutions referred to in Condition 3(a) and (ii) either (A) bwin.party has complied in all material respects with its obligations under the GVC Co-operation Agreement and the Scheme Document (or if GVC elects, with the consent of the bwin.party Board in accordance with the GVC Co-operation Agreement, to implement the acquisition of the bwin.party Shares by way of a Takeover Offer as an alternative to the Scheme, the offer document in respect of such Takeover Offer) is not despatched to the bwin.party Shareholders on or prior to 15 November 2015 or (B) the Offer lapses on or prior to the Long Stop Date; or
- on or prior to the Long Stop Date, the Offer lapses as a result of the resolutions referred to in Condition 3(a) not being passed by the shareholders of GVC,

(each, a "**Category A GVC Break Payment Event**"); or

- on or prior to the Long Stop Date, the Offer lapses as a result of Condition 3(c) or any of Conditions 3(d) to (i) (inclusive) being invoked by GVC or (where applicable) by bwin.party or any of those Conditions failing to be satisfied (or, if capable of waiver, waived) by GVC (a "**Category B GVC Break Payment Event**"),

(each of a Category A GVC Break Payment Event and a Category B GVC Break Payment Event being a "**GVC Break Payment Event**").

The break payment that GVC has agreed to pay, subject to certain exceptions, is:

- if a Category A GVC Break Payment Event occurs, £10,900,000; and
- if a Category B GVC Break Payment Event occurs, £5,700,000,

(each such amount being exclusive of recoverable VAT, if any).

bwin.party Break Payment

By way of compensation for any losses or costs suffered or incurred by GVC in connection with the preparation and negotiation of the Offer, the GVC Co-operation Agreement and any other agreement relating to the Offer (other than any loss arising out of a breach of the GVC Co-operation Agreement or the breach of any other obligations in connection with the Offer), bwin.party has agreed to pay £10,900,000 (such amount being exclusive of any amount in respect of recoverable VAT, if any) to GVC, subject to certain exceptions, in the event that, following publication of this Announcement: (i) the bwin.party Directors

withdraw, adversely modify or qualify their recommendation and (ii) either (A) GVC has complied in all material respects with its obligations under the GVC Co-operation Agreement, GVC has not exercised its right in accordance with the GVC Co-operation Agreement to elect to implement the Offer by means of a Takeover Offer and the Scheme Document is not despatched to the bwin.party Shareholders on or prior to 15 November 2015 or (B) on or prior to the Long Stop Date, the Offer lapses (the “**bwin.party Break Payment Event**”).

888 Co-operation Agreement

As a result of the bwin.party Board’s change in recommendation the 888 Co-operation Agreement has terminated in accordance with its terms.

The City Code on Takeovers and Mergers

By virtue of its status as a Gibraltar incorporated company, the City Code does not apply to bwin.party. bwin.party has incorporated certain takeover-related provisions into its articles of association but these do not provide bwin.party Shareholders with the full protections offered by the City Code and enforcement of such provisions are the responsibility of bwin.party, not the Panel. Accordingly, bwin.party Shareholders are reminded that the Panel does not have responsibility, in relation to bwin.party, for ensuring compliance with the City Code and is not able to answer bwin.party Shareholders' queries. bwin.party and GVC have agreed in the GVC Co-operation Agreement certain matters regarding the application of the City Code to the Offer, and the terms of that agreement are summarised in this announcement.

In particular, public disclosures consistent with the provisions of Rule 8 of the City Code (as if it applied to bwin.party) should not be emailed to the Panel, but, as described below, released directly through a Regulatory Information Service.

Further Information

This announcement is for information purposes only and is not intended to, and does not, constitute or form part of any offer, invitation or solicitation of any offer to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of any securities or the solicitation of any vote or approval in any jurisdiction. The New GVC Shares are not being offered to the public by means of this announcement. This announcement is an advertisement and is for information purposes only and does not constitute a prospectus or prospectus equivalent document.

The Offer will be made solely by means of the Scheme Document or any other document by which the Offer is made which will contain the full terms and Conditions of the Offer, including details of how to vote in respect of the proposed acquisition of bwin.party by GVC. The GVC Prospectus will be published by GVC on the date on which the Scheme Document is posted to bwin.party Shareholders. The GVC Prospectus will contain information about the Enlarged Group and the New GVC Shares and a notice convening the GVC General Meeting.

This announcement has been prepared for the purpose of complying with English and Gibraltar law, the Listing Rules and the AIM Rules and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of jurisdictions outside the United Kingdom and Gibraltar.

bwin.party will prepare the Scheme Document to be distributed to bwin.party Shareholders. bwin.party and GVC urge bwin.party Shareholders to read the Scheme Document and the GVC Prospectus when each becomes available because they will contain important information relating to the Offer.

Overseas Shareholders

The release, publication or distribution of this announcement in certain jurisdictions may be restricted by law. Persons who are not resident in the United Kingdom or Gibraltar or who are subject to other jurisdictions should inform themselves of, and observe, any applicable requirements. Any failure to comply with these requirements may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Offer disclaim any responsibility or liability for the violation of such requirements by any person.

US bwin.party Shareholders should note that the Offer relates to the securities of a Gibraltar company which are admitted to trading on a UK regulated market, is subject to Gibraltar and UK procedural and disclosure requirements (which are different from those of the US) and is proposed to be implemented under a scheme of arrangement provided for under the company law of Gibraltar. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules under the US Exchange Act. Accordingly, the Scheme will be subject to Gibraltar procedural and disclosure requirements and practices, which are different from the procedural and disclosure requirements of the US tender offer rules. The financial information with respect to bwin.party included in this announcement and the Scheme documentation has been or will have been prepared in accordance with IFRS and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If GVC exercises its right to implement the acquisition of the bwin.party Shares by way of a Takeover Offer, such offer will be made in compliance with applicable US tender offer and securities laws and regulations.

The New GVC Shares have not been, and will not be, registered under the US Securities Act or under the securities laws of any state or other jurisdiction of the United States. Accordingly, the New GVC Shares may not be offered, sold, resold, delivered, distributed or otherwise transferred, directly or indirectly, in or into the United States absent registration under the US Securities Act or an exemption therefrom. The New GVC Shares are expected to be issued pursuant to the Scheme in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof. bwin.party Shareholders who will be affiliates of GVC after the Effective Date will be subject to certain US transfer restrictions relating to the New GVC Shares received pursuant to the Scheme. For a description of these and certain further restrictions on offers, sales and transfers of the New GVC Shares and the distribution of this announcement, see paragraph 19 of this announcement.

The receipt of New GVC Shares and cash pursuant to the Offer by a US bwin.party Shareholder may be a taxable transaction for US federal income tax purposes and under applicable state and local, as well as foreign and other tax laws. Each bwin.party Shareholder is urged to consult his independent professional advisor immediately regarding the tax consequences of acceptance of the offer.

It may be difficult for US bwin.party Shareholders to enforce their rights and claims arising out of the US federal securities laws, since GVC and bwin.party are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. US bwin.party Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

None of the securities referred to in this announcement have been approved or disapproved by the SEC, any state securities commission in the United States or any other US regulatory authority, nor have such authorities passed upon or determined the adequacy or accuracy of the information contained in this announcement. Any representation to the contrary is a criminal offence in the United States. Unless otherwise determined by GVC and permitted by applicable law and regulation, the Offer will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Offer by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement and all documents relating to the Offer are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this announcement and all documents relating to the Offer (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction.

The availability of the Offer to bwin.party Shareholders who are not resident in the United Kingdom or Gibraltar may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom or Gibraltar should inform themselves of, and observe, any applicable requirements.

All statements other than statements of historical facts included in this announcement may be forward looking statements. Without limitation, any statements preceded or followed by or that include the words "targets", "plans", "believes", "expects", "aims", "intends", "will", "may", "anticipates", "estimates", "projects" or words or terms of similar substance or the negative thereof, are forward looking statements. Forward looking statements include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of GVC's or bwin.party's operations and potential synergies resulting from the Offer; and (iii) the effects of government regulation on GVC's or bwin.party's business.

Such forward looking statements involve risks and uncertainties that could significantly affect expected results and are based on certain key assumptions. Many factors could cause actual results to differ materially from those projected or implied in any forward looking statements. Due to such uncertainties and risks, readers are cautioned not to place undue reliance on such forward looking statements, which speak only as of the date hereof. Each of GVC and bwin.party disclaims any obligation to update any forward looking or other statements contained herein, except as required by applicable law.

No profit forecasts or estimates

No statement in this announcement is intended as a profit forecast or estimate for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per share for GVC or bwin.party, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for GVC or bwin.party, as appropriate.

Disclosure requirements

bwin.party is a Gibraltar company and is therefore not subject to the City Code. Accordingly, shareholders of bwin.party and others dealing in bwin.party Shares are not obliged to disclose any

of their dealings under the provisions of the City Code. However, market participants are requested to make disclosure of dealings as if the City Code applied and as if bwin.party were in an “offer period” under the City Code. bwin.party Shareholders and persons considering the acquisition or disposal of any interest in bwin.party Shares are reminded that they are subject to the Disclosure and Transparency Rules made by the UKLA and other applicable regulatory rules regarding transactions in bwin.party Shares.

bwin.party’s website contains the form of disclosure requested. If you are in any doubt as whether or not you should disclose dealings, you should contact an independent financial adviser authorised by the Financial Conduct Authority under the FSMA (or, if you are resident in a jurisdiction other than the United Kingdom, a financial adviser authorised under the laws of such jurisdiction).

In light of the foregoing, as provided in Rule 8.3(a) of the City Code, any person who is “interested” in one per cent. or more of any class of “relevant securities” of bwin.party or of any “securities exchange offeror” (being any “offeror” other than an “offeror” in respect of which it has been announced that its “offer” is, or is likely to be, solely in “cash”) is requested to make an Opening Position Disclosure following the commencement of the “offer period” which begins upon the release of this announcement.

An Opening Position Disclosure should contain details of the person’s interests and short positions in, and rights to subscribe for, any “relevant securities” of each of (i) bwin.party and (ii) GVC. Persons to whom Rule 8.3(a) would have applied had the City Code been applicable are requested to make an Opening Position Disclosure by no later than 3:30 p.m. (London time) on the tenth “business day” following the commencement of the “offer period” which begins upon the release of this announcement. Relevant persons who undertake “dealings” in the relevant securities of bwin.party or a “securities exchange offeror” prior to the deadline for making an Opening Position Disclosure are requested instead to make a Dealing Disclosure.

Rule 8.3(b) of the City Code provides that if any person is, or becomes “interested” (directly or indirectly) in one per cent. or more of any class of “relevant securities” of an offeree or of any “securities exchange offeror”, all “dealings” in any “relevant securities” of that offeree or of any “securities exchange offeror” (including by means of an option in respect of, or a derivative referenced to, any such “relevant securities”) should be publicly disclosed in a Dealing Disclosure by no later than 3:30 p.m. (London time) on the “business day” following the date of the relevant transaction. In a situation where the City Code applies, this requirement would continue until the date on which any “offer” becomes, or is declared, unconditional as to acceptances, lapses or is otherwise withdrawn or on which the “offer period” otherwise ends. Under Rule 8 of the City Code, a Dealing Disclosure would contain details of the “dealing” concerned and of the person’s interests and short positions in, and rights to subscribe for, any “relevant securities” of (i) bwin.party and (ii) any “securities exchange offeror”, save to the extent that these details have previously been disclosed under Rule 8.

Accordingly, in the case of both an Opening Position Disclosure and Dealing Disclosure (if any), disclosures of interests in the shares of each of GVC and bwin.party are requested to be made.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire an “interest” in “relevant securities” of bwin.party or a “securities exchange

offeror”, they would, if the City Code were applicable, be deemed to be a single person for the purpose of Rule 8.3 of the City Code.

Consistent with the provisions of Rule 8.1 of the City Code, Opening Position Disclosures should be made by bwin.party and by any “offeror”, and all “dealings” in “relevant securities” of bwin.party by bwin.party, by any “offeror” or by any persons “acting in concert” with any of them, should be disclosed in a Dealing Disclosure by no later than 12:00 p.m. (London time) on the “business day” following the date of the relevant transaction.

“Interests in securities” arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of “securities”. In particular, a person will be treated as having an “interest” by virtue of the ownership or control of “securities”, or by virtue of any option in respect of, or derivative referenced to, “securities”.

Terms in quotation marks are defined in the City Code, which can be found on the Panel’s website. If you are in any doubt as to whether not you should disclose a “dealing” by reference to the above, you should contact an independent financial adviser authorised by the FCA under the FSMA.

- 2 GVC reserves the right to waive, in whole or in part, Conditions 3(c) to 3(o) (inclusive), so far as they relate to bwin.party, the Wider bwin.party Group or any part thereof. Conditions 1, 2, 3(a) and 3(b) shall not be capable of being waived.
- 3 bwin.party reserves the right to waive, in whole or in part, Conditions 3(c) to 3(o) (inclusive), so far as they relate to GVC, the Wider GVC Group or any part thereof.

- 5 Subject always to the provisions of the GVC Co-operation Agreement, neither GVC nor bwin.party shall be under any obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of Conditions 3(a) to 3(o) (inclusive) by a date earlier than the latest date for the fulfilment of that Condition notwithstanding that the other Conditions of the Offer may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.

6 The bwin.party Shares acquired under the Offer shall be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights attaching or accruing to them, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid on or after the date of this announcement (save for any bwin.party Permitted Dividend).

If any such dividend or distribution (other than any bwin.party Permitted Dividend) is paid or made before the Effective Date, if GVC exercises its rights described in this paragraph, any reference in this announcement to the consideration payable under the Offer shall be deemed to be a reference to the consideration as so reduced.

8 GVC reserves the right to elect, with the consent of the bwin.party Board in accordance with the GVC Co-operation Agreement, to implement the acquisition of the bwin.party Shares by way of a Takeover Offer as an alternative to the Scheme. In such event, the acquisition will be implemented by GVC and/or one or more wholly-owned subsidiaries of GVC on substantially the same terms as those which would apply to the Scheme subject to appropriate amendments, including (without limitation) an acceptance condition set at such percentage of the shares to which such offer relates, no greater than seventy-five per cent. (or, where any of the circumstances set out in Note 2 of Section 8 of Appendix 7 of the Code applies, ninety per cent.) of the voting rights carried by the bwin.party Shares to which the Offer relates, provided that this condition will not be satisfied unless GVC and/or any of its subsidiaries shall have acquired or agreed to acquire (whether pursuant to the Offer or otherwise) bwin.party Shares carrying in aggregate more than fifty per cent. of the voting rights then normally exercisable at a general meeting of bwin.party, as GVC may decide.

- 12** Pursuant to, and subject to the provisions of, the GVC Co-operation Agreement, GVC and bwin.party have agreed to observe and comply with the City Code in relation to the conduct and execution of the Offer as though bwin.party were subject to the Code. Therefore, in accordance with Rule 13.5 of the City Code, GVC may not invoke a condition to the Offer so as to cause the Offer not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the condition are of material significance to GVC in the context of the Offer. Furthermore, bwin.party may not invoke a condition to the Offer so as to cause the Offer not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the condition are of material significance to bwin.party Shareholders in the context of the Offer. Whether, in each case, any such circumstances are of such material significance shall be determined in accordance with the relevant provisions of the GVC Co-operation Agreement. The conditions contained in Conditions 1, 2, 3(a) and 3(b) are not subject to this provision of the City Code.
- 13** Save as provided in the following sentence, the Offer will be governed by the laws of England and Wales and will be subject to the exclusive jurisdiction of the English courts and to the Conditions and further terms set out in this Appendix I and to be set out in the Scheme Document, the applicable requirements of the Listing Rules, the City Code (as applied pursuant to the GVC Co-operation Agreement and bwin.party's articles of association), the London Stock Exchange, the FCA, the PRA, and the UKLA.
